My activity in 4 words:

-  Legal
-  Sustainability
-  Strategy
-  Partnership

My background and what I can bring to CCI FRANCE UAE services and activities:

Currently Partner – Counselor at Law at **ASTRUC & Co**, I have 20 years of legal practice, including **12 years as Group General Counsel** in Dubai, following **11 years as a Lawyer** at the Paris Bar.

I finalised a pivotal transition period while working for **CCI France UAE as an ESG Project Manager** since 2023, where I led the structuring of the ESG Department and orchestrated major ESG/COP28 events and partnerships in collaboration with Key members with whom I have built strong ties, both professionally and personally.

More pragmatically, I also authored and launched for the Chamber '**The ESG Guide 2023**', initiated the monthly '**ESG Focus Newsletter**', and overhauled the layout of the ESG/COP28 website platform, also ensuring regular updates and regulatory monitoring.

As an active member of CCI France UAE for over **12 years**, where I had the chance to benefit from the chamber's diverse services, and more recently from within when I worked there, I've gained a **clear and deep understanding** of the Chamber diverse activities and services.

Moreover, my in-depth knowledge in corporate law, international business, and sustainability management are skills I am eager to continue leveraging for the benefit of CCI France UAE and its members.

My added value in the Board:

With **15 years of active engagement in the region**, I have a good grasp of the nuances of the legal environment and business world in the United Arab Emirates.

Moreover, my recent **hands-on involvement within CCI France UAE**, combined with my comprehensive experience and proactive leadership in corporate governance and sustainability, enables me to provide pragmatic solutions to enhance the Chamber's services and effectively tackle challenges.

In short, I strongly believe that my expertise in managing legal complexities and driving dynamic business development, coupled with a strong focus on sustainability, positions me as a key contributor to the board.

Why you should vote for me:

Because I bring an extensive firsthand experience with CCI France UAE's services, both as a beneficiary and a contributor, that have given me a deep comprehension of our Chamber's needs and the challenges it faces.

Because I am committed to "**Give Back**", to keep on supporting the Chamber by leveraging my legal expertise and entrepreneurial skills to further enhance the performance and development of the Chamber's activities.

Thank YOU for Your Trust !

I look forward to us embarking on this new adventure together: rest assured of my steadfast commitment to continue supporting CCI France UAE and its members in the best possible ways, while promoting sustainable development in our international business world.
