My background and what I can bring to CCI FRANCE UAE services and activities:

CCI France UAE has been part of my professional landscape for 13 years. Upon my arrival in the UAE, it was the first organization I sought out to connect with the French Business Community. With 18 years of experience, I have leveraged my commercial expertise and engineering education to deliver top-tier sustainability solutions for my clients.

Given the Chamber's increased focus on encouraging members to adopt sustainable strategies, I am eager to lend my support to CCI France in this endeavor.

In addition, I am a facilitator of climate-related workshops, where I raise awareness among various business groups and schools. My background as an energy specialist positions me well to contribute to the Energy committee's objectives and facilitate collaboration among industry experts. Furthermore, I am keen to assist the chamber in expanding its ESG activities.

My added value in the Board:

I am eager to collaborate closely with fellow board members, chamber staff, and community stakeholders to achieve our shared goals. I believe that my ability to build consensus and foster productive relationships would be a valuable addition to the Board.

In addition to promoting collaborative leadership, I am committed to supporting the success and growth of the Chamber through innovation and adaptability.

I am dedicated to advancing Diversity and Inclusion initiatives, building upon the incredible efforts that the Chamber has already undertaken to create an inclusive and welcoming environment for all members.

Lastly, serving as a board member will enable me to contribute to the realization of the Chamber's Vision and Strategy, ensuring its sustainability and financial health.

Why you should vote for me:

This application represents more than just a personal endeavor; it's a commitment to our community. I am driven by a profound desire to make a tangible, positive impact through my unwavering engagement and the energy I will devote to our Chamber. Serving on the board isn't merely a responsibility; it's an opportunity to channel my deep-rooted passion for our community into actionable initiatives that benefit all members. I am deeply invested in the well-being and prosperity of our community, and I am determined to leverage my skills, experience, and enthusiasm to drive positive change. Together, let's make a difference. Votez Sophia!"
