

[FKCCI Pro-workshop] Improving Information Flow within Multinational Team in Korea

<Module II objectives: for Korean employees>

1. Understanding how **teams' interactions** and work environments are shaped by **cross-cultural values**
2. Identifying your communication style and that of your foreign managers, to **improve conversations**
3. Recognizing your foreign managers' leadership **style and needs**, and how to **meet their expectations**
4. Training in tips to overcome obstacles, feel confident, and being heard when:
 - Asking and answering questions during employee meetings or one-or-one
 - Sharing new ideas, expert opinion, feedbacks, or bad news
