

Knowing French Companies 2019

5th edition in collaboration with WASEDA University

Increase your corporate brand awareness and exposure among Japanese students!

Connect with future talents with an international mindset!

OVERVIEW

- Date & Time December 3rd (Tue) 2019, 1:00 pm ~ 6:00 pm
- Venue International Conference Center , Waseda University Campus
- Supported by Waseda University Career Center (part of “Design your Future” program)
- Target All students from Japanese and foreign universities and business schools including exchange students and alumni. All grades.

Company booth to meet students & Seminars to improve corporate awareness

- Students with an international mindset and rich educational backgrounds
- “Café” space for open discussions
- Seminars (Corporate presentation)

This event is a unique way to promote your company and brand(s) to students who are interested in working for French/International companies, and to be on their shortlist of career options and preferred employers.

As this event is not a traditional new graduates recruitment seminar (就職セミナー) the university requires that the participating companies do not ask for students' personal information (phone number, e-mail...) proactively. If students want to leave their CV spontaneously, companies can receive them. **Companies can also give their contact to the students (business card, website information...).**

PARTICIPATION FEES

For CCIFJ member : Early-bird registration by September 6th : 100,000 yen (tax excluded)

Registration by October 4th : 120,000 yen (tax excluded)
