

SPONSOR A WEBINAR

With a speaking opportunity

The French Chamber of Commerce's webinars offer knowledgeable insight about business, legal, tech, economic, financial topics and more, in Singapore and in the Region.

Each webinar provides sponsoring companies the opportunity to showcase their brand and communicate in relation with their sector activity.

Your benefits:

- Expand the reach of your brand visibility to a wider audience and beyond borders
- Or, reach a highly targeted audience (members and non-members) for specific topics
- Spread your company brand messages
- Position your company as a key player in the digital world
