

WOMEN IN BUSINESS

CCI France Japon is thrilled to present its new training: **Women in Business Program** spanning over **8 days from October to December 2021.**

GLOBIS

CCI FRANCE JAPON
在日フランス商工会議所

This program is meticulously designed for women in the Japanese workforce aspiring, or in managing positions. The themes featured will provide practical professional skills, and will help to develop an exclusive business network.

- **Leadership (October 19) and Personal Mission (October 26)**
- **Strategic Thinking (November 2) and Organizational Skills in Project Management (November 9)**
- **Power & Influence (November 19) and Facilitation & Negotiation (November 26)**
- **Cross Cultural Management (December 3)**

An additional day will include **round panel discussion** lead by influential women part of our network, and a dedicated **intercultural coaching**.

This program will be delivered by professors from the partner university Globis in Tokyo, the largest business graduate school in Japan.
