PROMOSALONS

The global partner network for French trade shows

Our core mission

Established in 1967, Promosalons is a non-profit network - the only one of its kind in the world - dedicated exclusively to promoting French trade shows internationally. By increasing the number of international visitors and exhibitors at French trade shows, Promosalons contributes to the attractiveness of France and Paris as flagship destinations for international events.

Promosalons' bicultural experts offer French exhibition organisers the benefit of their expertise in international promotion and their in-depth knowledge and understanding of their markets. Local teams develop close relationships with the key economic and institutional stakeholders, and become involved in:

- devising and carrying out promotional campaigns aimed at French trade show visitors and buyers (direct marketing, press and public relations, webmarketing, etc.);
- performing ROI studies, sector analyses and gathering market intelligence;
- supporting the expansion of French trade shows outside France;
- identifying, contacting and retaining exhibitors.
