# About CCI France Ghana

The Chamber of Commerce and Industry France Ghana (CCIFG) is a private association that brings together companies and professionals from various sectors of the Ghanaian economy who want to develop their business in Ghana, in France, or abroad.

It supports the business development of French and Ghanaian companies by facilitating trade and financial exchanges between France and Ghana. The Chamber promotes Ghana among French players and accompanies them in their approach to the Ghanaian market. The CCIFG also supports Ghanaian companies in developing their international potential.

Established in Accra in May 2014, the Chamber of Commerce and Industry France Ghana is a CCI France International network member which includes 125 French Chambers of Commerce and Industry (CCI FI) in 95 countries.

CCI France Ghana remains the largest European bilateral chamber in Ghana.

## The Annual Gala Dinner

In 2017, CCIFG hosted its 1st Gala Night, in the presence of representatives from several Ghanaian State Agencies and the French diplomatic community. This was done to recognize remarkable achievements made by member companies, to celebrate and look back on the previous year's work, and to inspire others.

Over the years the awards ceremony has attracted various VIPs and speakers such as Hon. Yaw Osafo Maafo, H.E. François Pujolas, H.E. Irchad Razaaly (EU Ambassador to Ghana), H.E. Anne-Sophie AVÉ, H.E. Samira BAWUMIA (Second Lady of Ghana), Hon. Yofi Grant (CEO of Ghana Investment Promotion Centre), just to name a few.

It is a night of great networking opportunities with exquisite curated meals and magical performances and is known to be one of the biggest events in the Franco-Ghanaian business community.
