[Meydan Pay](#) assists companies in opening a [guaranteed bank account](#) in one of the collaborating banks, provided that the company has met all the requirements and submitted all the required documentation. This service is particularly beneficial for companies that may face challenges opening a bank account due to factors.

Grow from Dubai with Meydan Marketplace

At Meydan Free Zone, we help businesses create e-commerce stores on the world's leading online marketplaces, such as Amazon, Noon, and eBay, establish an online presence, choose the right products to sell, and find suitable payment options.

As a multi-channel e-commerce platform, Meydan [Marketplace](#) brings together more than 30 local and global marketplaces, providing businesses with a one-stop shop for all their e-commerce needs. Through the range of services, the platform aims to help companies to reach their optimal potential and capitalize on the flourishing e-commerce industry in Dubai.

You can be confident that your business will have access to globally recognized online marketplaces and receive comprehensive support in registering your store, listing products, and managing orders. We also provide expert guidance in website design, search engine optimization, and social media marketing to ensure your business gains maximum visibility and reach. Our market research and analysis services assist businesses in selecting the right products that have a high potential for profitability, while our payment options assistance ensures that companies choose a secure and reliable method that suits their needs.

Our Connected Commerce solutions also help integrate e-commerce and digital payment technologies with social media platforms and digital wallets, thus enhancing the capabilities of cCommerce. The model aims to improve the purchasing experience by allowing users to discover, explore, and buy products directly within these platforms.

Native shopping features, such as "Shops" or "Marketplace" sections on social media, enable users to explore and purchase products within the social media platform. Buy buttons and in-app checkout options further streamline the purchasing process. Integration with digital wallets allows users to store payment information securely and make quick transactions. In addition, personalized recommendations, influencer marketing, and the social element of sharing and discussing products contribute to the connected commerce experience. Thus, our cCommerce solutions provide users with an integrated shopping journey combining convenience, personalization, and social engagement.

Along with onboarding on marketplaces and social media platforms, Meydan Free Zone integrates [logistics](#) and payment gateways, accelerating SMEs' scalability. We leverage the expertise of top-tier third-party logistics (3PL) providers to offer a comprehensive suite of sophisticated tools, ranging from international shipping to last-mile courier services. With advanced supply chain solutions, including dropshipping with and without warehousing, businesses can streamline operations and boost efficiency.

Free 'Name Check' to find the right trade name for business in Dubai

Whatever the business, the company's name is a powerful marketing tool. By choosing a title that strikes a chord with your customers, you create a memorable brand that makes people more inclined to buy from you. Moreover, the right company name is mandatory when applying for a UAE business license.

As with all businesses in the United Arab Emirates, you must choose a trading name that complies with specific rules. Choosing the right name is tricky. Businesses can, however, use Meydan Free Zone's free [Name Check](#) tool by submitting a form with their preferred name. They will receive information about its availability and implications within two working days.

Free Zone license that allows conducting business anywhere in Dubai and outside of the UAE

Meydan Free Zone offers LLC FZ business licenses for multi-disciplinary combinations of activities in Dubai. The LLC FZ abbreviates for Limited Liability Company Free Zone license in Dubai.

As a rule, Free Zone businesses are not permitted to trade directly with mainland companies in Dubai and the UAE mainland. However, all Meydan Free Zone companies can work and trade with other free zone companies and companies in the Dubai mainland and outside of the UAE with a Dubai Economy and Tourism Department (DET) Permit for their trade license in Dubai.

With the DET permit, all Meydan Free Zone companies can also open an office anywhere in Dubai without restrictions while enjoying the benefits of a free zone. Under this structure, Meydan has partnered with DET to include 44 activities that can issue licenses from the Meydan Free Zone but legally work with mainland companies and register a physical space anywhere in Dubai without restrictions.

The number of visas issued under such a company depends on the office size. All visas are valid for two years and include all benefits of the free zone, such as integrated services of leasing, investor/partner visas for shareholders, and employment visas for staff without having to deal with Ejari and the Ministry of Human Resources and Emiratization (MOHRE).

Experience a world of unlimited possibilities with Meydan Free Zone LLC FZ licenses. Join the league of successful businesses and establish your footprint in Dubai's economic heart today.

A Community Focused on Contemporary Living

Meydan, the visionary initiative of His Highness Sheikh Mohammed Bin Rashid Al Maktoum, UAE Vice President, Prime Minister, and Ruler of Dubai, is a sprawling oasis of over 40 million square feet, replete with dazzling developments, world-class sports facilities, and diverse range of entertainment options.

Meydan, the master-planned community, offers a range of luxury properties with high-end finishes and amenities such as private pools, landscaped gardens, and access to exclusive clubs. The district also features several world-class sports and leisure facilities, making it an ideal location for those who prioritize an active and healthy lifestyle. Meydan is designed sustainably, with green spaces, parks, cycling paths, and energy-efficient buildings. Additionally, its prime location in the heart of Dubai provides easy access to major highways and transportation links, making it convenient for commuting or traveling around the city. The Meydan Free Zone also encompasses a broader community that aids everyday living. Entrepreneurs can live, work and play in a diverse urban environment featuring schools, clinics, restaurants, and parks, or take in exquisite news of the Meydan racecourse, do business on the golf course, or strike a deal on the tennis court, among others. In addition, the members can enjoy unique benefits such as a panoramic workspace in a 5-star hotel with enviable racecourse views. It is home to the world's richest horse race, the Dubai World Cup, witnessed by millions at Meydan Racecourse. Its excitement and glamour make Meydan an attractive location for horse racing enthusiasts.

The grandeur of Meydan is matched only by its versatility, with a wide range of opulent apartments, lavish villas, and sophisticated townhouses to cater to all needs and preferences. So whether you're a family, a couple, or an individual, there are plenty of options to suit your requirements and lifestyle at this premium location. But that's not all. Meydan has a multitude of other amenities that go above and beyond the usual offerings of a residential complex. Meydan Aqarat, delivering innovative and sustainable real estate solutions that cater to the needs of modern urban living, has a range of residential, commercial, and hospitality projects in the Dubai urban sprawl. Some notable developments include The Polo Residence, Meydan Avenue, and Meydan One Mall. These apartments feature the finest fixtures and contemporary finishes, ensuring comfort and convenience. The projects are committed to using the latest technology and design practices to create communities that provide a high standard of living and a superior living experience for their residents. With numerous schools and top-class medical care facilities, residents can enjoy state-of-the-art sports facilities, a refreshing swimming pool with a spa, and a variety of shops to meet their every need.

Choose to make Meydan your home, and you will experience a peaceful, fulfilling life surrounded by breathtaking natural beauty and essential amenities. Meydan is not just a place to live but an expression of excellence, sophistication, and prosperity that embodies the very best of modern living.
