

EXPRESSION OF INTEREST FOR DRILLING OPERATIONS OFFSHORE BY DRILLSHIP

Eni Mozambico S.p.A – Mozambique Branch, Operator of Area 5-A license in Mozambique, invites interested companies to submit their **Expression of Interest** for the provision of **DRILLING OPERATIONS OFFSHORE BY DRILLSHIP** to support **Eni Mozambico S.p.A Mozambican Branch** exploration activity in Mozambique.

Such Drillship is required to have the following characteristics:

- Full dual activity drilling rig
- Dynamic Positioning Unit required to be fit & equipped for H2S Service;
- Dynamic Positioning Unit required to be fit & equipped for Zero Discharge;
- Rated Water Depth = min 1900 m;
- Drilling Depth = min 4500m;
- Derrick Capacity 2,000,000 lbs;

- Dedicated logistic base in Pemba;
- Administrative & Operative Management based in Maputo;
- Rig equipped with 2 ROVs unit;
- Drillship 5th generation upward;
- Minimum five years of proven drilling & completion activities;
- Proven experience operating in cyclone areas;
- Five-year certification due not earlier than 2025.
- Equipped with cementing unit and fully commissioned
- Equipped with mudlogging ready to operate

The contract foresees a firm period needed to perform drilling and abandon activities on one (1) well with estimative duration of 45 days. The expected spud-in date of the well is in Q4- 2022.

Rig contractor MUST open a local branch in country at within one month before spud-in date.

DOCUMENTATION REQUIRED

Companies interested in this invitation may submit their **Expression of Interest** to participate in a tender process for offshore drilling operations through drillship by registering on the website indicated below and submitting the following required documentation demonstrating an evidence of:

i. Technical documents:

- Being able to provide a Drillship compliant with the above listed characteristics;
- Technical specification, data sheets and owner of ROV, cementing and mudlogging units;
- Technical data sheet, P&I and drawing of Zero Discharge Systems (i.e., number of G-dry, number of augers, etc ...)
- Having an extensive experience of executing drilling operations offshore involving a Drillship compliant with the above listed characteristics;
- Any other information that will establish ability of fulfilling this scope of work.

ii. Administrative Documents:

- Scanned certified copy of the Trade Register, Legal Entity name and contact person for receiving qualification package and other relevant information from Eni Rovuma Basin B.V.;
- Last three years Financial Statements and Annual Report including Balance Sheet, Profit and Loss and Cash Flow Statement. These documents must be provided for the Company Group (if applicable), and also for the Company's Mozambican registered entity that will enter into the subject contract;
- Company's registration in Mozambique. In case your Company is not already registered in Mozambique, please specify if you would be willing to promptly register in Mozambique and specify the respective timeline;
- Company and Group Structure with the list of major Shareholders and ultimate beneficiaries (if not listed in the stock exchange);

- In case you wish to participate in the *Expression of Interest* as a consortium or as a joint venture, information about each member of consortium or joint venture and role of each participant in the potential project. Such intention to form either a consortium or a JV, must be supported by an Agreement or "Memorandum of Understanding" duly signed by each entity in the group.

Companies interested in this invitation may submit their Expression of Interest by registering the company on our website (**Eni Rovuma basin B.V.Application**): https://enispace.eni.com/en_US/registrazione.page

Once the Company registry is complete, in "Private Area" it will be possible to create the application for responding to this *Expression of Interest*. To access this section, from the side menu select "**My Applications**".

By clicking on the above item you can access the features of:

- Displaying and edit the self-application questionnaire
- Creating a new self-application
- Elimination of a self-application practice
- Sending the self-application
- Search for self-application practices

For any issues and support, you can contact our service operations support: e-mail: ebusiness.support@eni.com

Once submitted the EOI within the website application, your application I.D. number must be Shared to: e-mail: erb.procurement@eni.com

IMPORTANT:

The submission must refer to the following commodity code:

- **SS05BA01 OFFSHORE RIGS - FLOATERS**

Within the website application, under the section "Object of the Application", the area "Origin of invitation" shall be completed as follows: "**OFFSHORE RIGS**".

Subject to the delivery and compliance of all the above requested documentation, Companies may receive from **Eni Mozambico S.p.A – Mozambique Branch** the Qualification Package and may further be included in the tender process for the subject activities.

This enquiry shall not be considered as an invitation to tender and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of **Eni Mozambico S.p.A – Mozambique Branch** to enter into any agreement or arrangement with you or with any Company participating in this Expression of Interest.

Any cost incurred by interested Companies in preparing the Expression of Interest shall be fully born by such Companies who shall have no recourse in this respect to **Eni Mozambico S.p.A – Mozambique Branch**.

All data and information provided pursuant to this Expression of Interest will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies.

The deadline for receipt of your documentation relevant to this Expression of Interest is set on **22 June 2022, 23:59 Central Africa Time**.

Documentation received after the set deadline will not be accepted.
