

**EXPRESSION OF INTEREST
FOR THE PROVISION OF HELICOPTER SERVICES IN SUPPORT OF OFFSHORE
OPERATIONS, MOZAMBIQUE**

Eni Rovuma Basin B.V. - Mozambique Branch invites interested companies to submit expressions of interest for the Provision of Helicopter Services in support of Offshore Operations, in Mozambique.

SCOPE OF WORK

The helicopter services to be provided cover the standard offshore passengers transportation, internal cargo flights, Medical Evacuation from the offshore installations to operations base, flight to move personnel that is critical to solve technical emergencies on the offshore installation.

In light of the double task, and for covering any grounding of one helicopter, the Company requires three (3) helicopters, with the following minimum characteristics and scope:

- Two pilots plus 12 passengers capacity;
- FAR/EASA CS 29;
- Maximum take-off mass (MTOM) ≤ 21 tons and D≤ 27;
- Available payload, to reach the offshore installation at 140NM from airport and come back without refueling, not less than 950 k;
- Passengers transportation;
- Limited internal cargo transportation;
- Dangerous Goods transportation is not expected, although the operator is required the capability for;
- Limited SAR, meaning the capability of limited search and of launching Emergency Liferafts;
- Approved Medical Evacuation configuration, two (02) stretchers.

The service will be provided by means of three (3) sole use primary helicopters: one (1) of them is meant as the Emergency Response Asset and as back-up unit, to replace the primary one being unserviceable or under maintenance. Number of helicopters in service could increase by one unit, even two, according to the operations needs.

The expected area of operations, is about 150 nm North of Pemba Airport.

The operations base is the airport of Pemba (FQPB - POL); operation base could change but, in this case, agreement with the operator will be sought and all expenses due to the movement will be reimbursed.

Adequate manning, in terms of Pilots, Technicians and administrative personnel shall be granted, in order to ensure, further than normal flights (expecting 5 days per week, 4 flights per day), H24 7/7 Emergency Response.
