

CALL FOR PROPOSALS

Public Tender No. 39A002552/CP/154/2020

Hiring of a company for the design, executive project design and construction of photovoltaic plants in Zambezia Province: Lot 1 - Alto Benfica (District of Mocuba)
Lot 2 - Mugulama (Ile District)

1. Rural electrification is a driver of socio-economic development and improvement of living conditions. To this end, FUNAE, through funds from the Belgian Agency for Development, intends to build mini photovoltaic plants in Alto Benfica and Mugulama, in Zambezia Province.
2. FUNAE therefore invites eligible companies to submit sealed tenders (**one original and two copies**) to carry out the works.
3. The tender will be conducted on the basis of the procedures of the Public Works Contract and Supply of Goods and Services Rendering Regulations to the State, approved by Decree No. 05/2016 of 08 March and is open to all bidders, as defined in the Tender Documents
4. The requirements for interested bidders are the following: be legally constituted in accordance with the legislation in force (operating license), possess fiscal regularity, experience in carrying out similar work (minimum of 05 years), availability and appropriate skills in their work team.
5. The Tender Documents can be accessed by interested bidders from 28 July 2020 on www.funae.co.mz or www.enabel.be
6. The sites related to the object of the tender can be found in the table below:

Lots	Province	District	Locality
Lot 1	Zambézia	Mocuba	Alto Benfica
Lot 2	Zambézia	Ile	Mugulama

7. Interested tenderers may bid for one or both lots, but they must ensure that different technical teams are put forward for each lot
8. All tenders must be accompanied by a provisional guarantee as specified in the Tender Documents.
9. Proposals must be delivered to FUNAE Headquarters, Maputo City, at the address below **by 10:00 local time on 28 September 2020**. Electronic submission of tenders will not be permitted. Tenders submitted after the deadline will be rejected.
10. The **opening** of the bids and the **announcement** of the positioning, will take place at the dates, times and places below:
 - Opening: September **28, 2020 at 10:30**
 - Positioning announcement: **October 12, 2020 at 10:00**
11. Interested bidders can obtain additional information at the address below:
