

# Godina francusko-srpskih jubileja

*U francusko-srpskim odnosima 2019. godina će biti svakako zapamćena po velikom broju značajnih jubileja: 230. godišnjice od pada Bastilje i Nacionalnog dana Francuske, 180 godina od uspostavljanja diplomatski donosa Francuske i Srbije, 10 godina od ustanovljenja Francusko-srpske privredne komore, ali možda najviše po zvaničnoj poseti francuskog predsednika Emanuela Makrona Srbiji - prvoj poseti jednog francuskog predsednika Srbiji posle gotovo dve decenije.*

*Tim povodom, u saradnji sa Ambasadom Francuske i Francusko-srpskom privrednom komorom, alliance international media izdaje specijalno izdanje, koje će biti posvećeno ovim značajnim događajima, a distribirano na svečanom prijemu 14.jula 2019 i zajedno sa julskim brojem CorD magazina.*

*S ponosom Vas pozivamo da zajedno obeležimo ove velike jubileje u skladu sa njihovim značajem.*

Chambre de Commerce et d'Industrie France Serbie – Francusko-srpska privredna komora

Belgrade, May 2019

Dear members,

Once a year, our member **alliance international media** prepares their exclusive special edition which we are happy to support:

*Business Partner France*

Traditionally, this special edition is published to mark the occasion of France's National Day, Bastille Day, on 14th July 2019 and, this year, the visit of French President Emmanuel Macron.

In both print and digital formats, it will be showcasing different activities of the French Serbian economic and diplomatic communities, with the aim of improving bilateral relations between France and Serbia.

In this year's special edition, the French-Serbian Chamber of Commerce will also detail the important results achieved during the ten years that have elapsed since our formation in 2009 and address the challenges that exist today to boost economic cooperation between France and Serbia.

As is the case every year, should you wish, you will be able to participate in this publication with special interviews and promotional features.

For further information on your potential participation in this exclusive publication, please do not hesitate to contact the **aim** editorial team: Mrs Maja Vidaković: [m.vidakovic@aim.rs](mailto:m.vidakovic@aim.rs); (381 11) 2450 508.

Sincere regards,

Sanja Ivanic, directrice générale
