CCI France International brings together coordinates and promotes 120 accredited French Chambers of Commerce and Industry (CCI FI) in 90 countries. Our network mission is to engage and foster the French-foreign business communities, and support companies in their international settlement and provide services to support companies development.

www.cci-france-international.org

Thanks to 400 advisers dedicated to international development, the Chambers of Commerce and Industry in France offer a comprehensive service to support the internationalisation of French companies abroad.

www.cci.fr

GIP Resah is a public Central Purchasing Body that leverages the purchasing power of hospitals and nursing homes in France. GIP Resah is the only Central Purchasing Body (CPB) specialized in both healthcare and medical-social sectors in France. It offers more than 3000 public contracts in almost all the procurement segments: medical (pharmaceuticals, medical devices, biomedical equipment...) and non-medical (ICT solutions, catering...).

www.resah.fr

An alliance of non-profit Group Procurement Organisations which aims to pool expertise, leverage performance and provide its members with a strategic position in the European health procurement market.
