

## 1. BACKGROUND

Sasol Petroleum Mozambique Limitada (SPM) (hereinafter referred to as Sasol), the operator of the Production Sharing Agreement (PSA) intends to, through the PSA Development Project (Surface Facilities) (hereinafter referred to as the PSA Project), optimally develop the light oil and gas contained in the Inhassoro and Temane reservoirs in the Province of Inhambane, Mozambique.

This will enable Sasol to supply natural gas to the proposed CTT, supply light oil to the proposed Temane Production Facility for the production of liquid petroleum gas (LPG) to local markets and condensate to the existing Temane Central Processing Facility (CPF) for shipment.

In support of the construction of the PSA Project, bush clearing and demining of selected areas in Inhassoro, Temane and Pande is required. Sasol invites interested Bush Clearing and Demining Contractors to provide responses to this pre-qualification process. The Participants must be a registered Mozambican legal entity.

## 2. OBJECTIVE OF THIS REQUEST FOR EXPRESSION OF INTEREST (EOI)

Sasol requires the services of an experienced Contractor that can provide services associated with bush clearing and demining of the intended construction sites new gas wells, flowlines and related project areas in the Pande, Inhassoro and Temane region of Mozambique. The scope includes the removal and stockpiling of vegetation and topsoil in the identified areas as well as the subsequent demining of the cleared areas.

Demining is completed in accordance with the standards of and to the satisfaction of the National Demining Institute of Mozambique. The successful contractor shall be responsible for the management of own sub-contractors and service providers, if required. Previous Mozambican remote site experience in these activities is essential.

## 3. ESSENTIAL DOCUMENTATION AND INFORMATION THAT IS REQUIRED TO BE SUBMITTED:

For the purposes of this prequalification notice, the following minimum information is required (where documentation is in Portuguese, please can you provide a short English narrative explaining the Portuguese content):

- Ownership structure (percentage shareholding held by shareholders as well as a description of the identity of shareholders, i.e. >50% national equity or <=50% national equity).
- Company registration certificate, commercial license(s), IVA/VAT sales tax number.
- Portfolio of contracts: a complete list of contactable references (including email, and telephonic contact details), detailing the following aspects:
  - Project Name, location and full project scope details, as well as the value of the contract and the duration thereof.
  - Current and on-going relevant / similar projects detailing the same information as detailed above.
- Detailed CVs of all key personnel indicating relevant qualifications including degrees, diplomas, etc., accreditation and certification, and relevance to the project work undertaken. Key personnel should, as a minimum, include a:
  - Project Manager;
  - Construction Manager; and
  - Safety Manager with relevant Mozambique and Southern African expertise.
- List of equipment typically planned for executing the work.
- Provide proof of experience and expertise operating in remote locations.
- Proof of certification that the company is authorized to operate in Mozambique, provided by the relevant governmental authority.
- Relevant financial information of the company (last 3 years turnover, net profit after tax and total equity reserves).
- Confirmation of the contractor's ability to conduct business in the English Language.

## 4. SELECTION OF POTENTIAL CONTRACTORS

Potential contractors will be selected in terms of the PSA Project's evaluation criteria (as determined by Sasol), taking into account the information that the contractor provides and all risks associated with this PSA Project. Potential contractors will be selected by Sasol in its sole and unfettered discretion.

## 5. SUBMISSION INSTRUCTIONS

Interested and eligible contractors should submit the essential documentation to the following:

- E-mail address: yasmeeen.safedien@sasol.com
- Description: PSA Project – EOI for the provision of Bush Clearing and Demining Services
- Closing Date: **29 September 2020**
- Closing time: 12:00 (UTC+02:00) Harare, Pretoria

## 6. GENERAL

Details of this Expression of Interest are also available on Sasol's official website: <https://www.sasol.com/psa-project>.

Interested and eligible contractors should note that this request by Sasol is aimed solely at requesting information required by it to enable future decisions regarding the selection of potential bush clearing and demining contractors. It does not, in any manner, indicate any intention by Sasol to enter into further discussions with any contractor who submits information and expresses interest to participate in this process, or to enter into any contract or other commercial relationship between Sasol and such contractor, nor does it constitute an undertaking by Sasol to award any contracts to, or to place any purchase orders related thereto whatsoever, on any contractor. Sasol is under no obligation to consider only the contractors who respond to this EOI for potential future contracts or purchase orders.

Responses by Sasol will only be made to short-listed prospective contractors and Sasol may request further information from such contractors. Sasol may also arrange for auditing of information that has been provided by a contractor pursuant to its response to this EOI.
