# CORPORATE FRENCH COURSES

a real addition to a CV and thus add great value for employers with regards to:

- Assessing French languages standards.
- Filtering staff for promotion.
- Streamlining recruitment processes.
- Identifying training needs for staff in French language.

## o Virtual (Online) Class

This offers the opportunity to interact with the instructor and colleagues on a virtual live class via a user-friendly videoconferencing application and an online learning management platform (Canvas instructure) for reading lessons, watching videos, listening to audios and answering auto-corrected quizzes.

## o Hybrid (Blended) Class

This combines the On-site (In person) class and Virtual (Online) class. This offers a face-to-face class, a virtual live class and the use of our learning management platform (Canvas instructure) at your convenience.

NB: For maximum interaction and results oriented training, the size of a group per class does not exceed 10 learners.

## Our medium for learning

### o On-site (In person) Class

This is the traditional face-to-face instructional approach. It offers the opportunity to learn from the comfort of your premises or at any location of your choice including our eco-friendly campus.

### Why Alliance Française Accra the best choice for French courses for your staff?

- We are part of an international network of more than 800 centers in more than 130 countries.
- We are world-renowned for the quality of our French language courses.
- An established leader in teaching French as a foreign language, offering customized training for all levels (beginner to advanced and specialized courses) and to all kinds of learners including professionals.
- We've been offering French courses in Ghana since 1957 and we can boast of qualified, very experienced and dedicated instructors.
- We comply with the CEFR standards (Common European Framework of Reference for Languages) to meet performance skills.
- We are the only examination center in Ghana for the internationally recognized TCF, TEF, DELF and DALF proficiency exams / certifications. DELF & DALF certificates reflect your actual level and are valid for life. These certificates can constitute

Today, more and more international organizations, embassies, NGO's, corporate bodies and government agencies in Ghana are registering their staff for our professionally Tailored Corporate French courses.

### To understand this trend, consider the following:

- Ghana although an anglophone nation, enjoys membership of the Organisation International de la Francophonie (OIF).
- The country is geographically located in Ecowas subregion where member states are predominantly French speaking.
- Ghana recognizes the strategic importance of her immediate neighbours, who are all francophones: the live of people and businesses here are intimately linked with the francophone world.
- The number of people who speak French language worldwide is expected to rise shortly to over 700,000,000, of which 80 per cent would be in Africa.
