YOUR 2023 JOURNEY WITH US

OUR TEAM

WE ARE FRENCH CHAMBER TAIWAN

You may have known us as the CCIFT, but this year, we've embraced our new brand name, the French Chamber Taiwan.

Our new name reinforces our mission to foster partnerships between members, work closely with governments, give back to our community, and overall, build confidence in our business climate.

At the end of the day, you, our members, are at the heart of our Chamber.

A GLANCE OVER YOUR BENEFITS

01. WE CREATE TAILORED EVENTS FOR YOU

The Annual Gala and the Beaujolais Nouveau may be our signature events, but our **networking soirées** and member-tailored events are also great opportunities to **meet our community**.

02. INCREASE YOUR EXPOSURES VIA OUR PLATFORMS

We are always proud to share news from our members, whether it's to promote your upcoming event or services, our **social media platforms** and **newsletter** help spread the word!

03. A SOCIALLY RESPONSIBLE CHAMBER

Sustainability takes its form in the social, environmental and governance. We strive to minimize our carbon footprints and enhance our impacts whenever possible.

BLOSSOMING COLLABORATIONS

Events bring people together and drive brand awareness. If you're trying to reach new audiences, we love fostering partnerships between our members.

A Floral Experience

Elevated the art of **floral arrangement** with **rosé** and **macarons**, and also a fun way to bring together members from different industries.

MichelBru's foodtasting at the business center

Hosting rep offices and members from a large spectrum of professions, the business centre may open up a world of new connections you never know!
