From the Prime Minister's Special Adviser on Business and Investment

18 July 2023

*Mme Fabienne,
M. Thierry,*

Thank you for kindly welcoming me to the UK–France Business Forum. I was delighted to be able to participate in the Forum and to have such an insightful discussion around issues of interest and importance to our two countries.

I wish you every success for the future of the Forum, which will be critical to the continued strengthening of UK–French business and commercial ties.

I am copying this letter to my Private Secretary, Olivia Creber, to whom I encourage you to contact if ever we can be of assistance.

*Très cordialement,
Franch P.*
