

CANADA TO OPEN BORDERS TO EUROPE

Canada intends to open on **7th September 2021** for fully vaccinated travelers.

Passengers must have received the full series of a vaccine or a combination of vaccines accepted by the Canadian government and hold a paper or digital copy of their vaccination documentation in English, French or with a certified translation.

Travelers arriving to Canada must be asymptomatic on arrival, meet all other mandatory requirements including pre-arrival and on-arrival testing, and provide Covid-19 related information via the ArriveCan app.

Please always check the [Air France](#) and [KLM TravelDoc](#) sites for updated information.
