The Government of Mozambique (GdM), through the Ministry of the Sea, Inland Waters and Fisheries (MIMAIP), with financial support from the International Fund for Agricultural Development (IFAD), is implementing the Small-Scale Aquaculture Development Project (PRODAPE). This is a project that covers 23 districts in seven provinces, namely Niassa, Cabo Delgado, Nampula, Zambézia, Tete, Manica and Sofala.

PRODAPE aims to contribute to reducing poverty and improving food and nutrition security among rural families in the target areas; and increasing production, consumption and income of rural families and other actors involved in the aquaculture value chain.

The use of any IFAD funding will be subject to the approval of the same, in accordance with the terms and conditions of the contract, as well as IFAD funding rules, policies and procedures.

IFAD and its employees, agents and employees will be exempt from all lawsuits, claims, demands, losses and liabilities of any kind or nature presented by any party in relation to the Small-Scale Aquaculture Development Project (PRODAPE).

The National Institute for the Development of Fisheries and Aquaculture, IP (IDEPA, IP), the implementing institution of PRODAPE, intends to apply part of the financing for the acquisition of eight (8) vehicles Pick UP 4x4 Double Cabin vehicles.
