# PRESS RELEASE

Abu Dhabi, UAE – February 1, 2021

## **Commodity testing: Bureau Veritas launches *Reshape Your Laboratory*, a suite of solutions to deliver sustainable cost savings and enhance quality in the world's testing laboratories**

***Reshape Your Laboratory* is a suite of partnership solutions, ranging from laboratory design for lean operations to fully outsourced operational management.**

**Bureau Veritas, a world leader in testing, inspection and certification, today launches a comprehensive suite of global solutions to optimize the efficiency of clients' commodity testing facilities.**

Outsourcing of on-site testing is a logical step for many operators, and ***Reshape Your Laboratory*** has been developed in response to approaches from clients operating in industries as diverse as agri-food, chemical production, oil refining and mining. This initiative allows clients to focus on their core value-added activities.

In developing ***Reshape Your Laboratory***, Bureau Veritas has leveraged the expertise gained from operating more than 300 laboratories across our global footprint.

*"Since 1828, Bureau Veritas' mission has been to shape a world of trust. We support our customers to reach highest levels of quality in their in-house laboratories with our great experience in the region. Managing laboratories is the core business of Bureau Veritas and we partner with our clients to optimize resources and run their testing facilities with our 'Reshape Your Laboratory solution'."* says **Marcel Hochar, SVP Middle East and Central Asia, Bureau Veritas.**

### **Laboratory support solutions include:**

- **LABORATORY DESIGN** to ensure optimum workflow, spacing and product handling, increase productivity and ensure equipment is up-to-date, maintained, and that proper protocols are established for shared devices.
- **OPERATIONAL EFFICIENCY** through implementing Bureau Veritas' LEAN 4 LABS' program to reduce waste and deliver operational and quality improvements.
- **HYGIENE** practices and training supported by the 'Restart Your Business With BV' line of services to prevent the spread of Covid-19.
- **SUSTAINABILITY** services supported by Bureau Veritas Green Line solutions to operate with the lowest possible environmental impact.

### **Partnership solutions include:**

- **ONSITE** services for embedding Bureau Veritas' testing operations in client facilities to ensure maximum efficiency and accuracy.
- **SEAMLESS DIGITAL INTEGRATION** by using Bureau Veritas' digital platforms to link laboratories, quality management and reporting systems (Laboratory Information Management System (LIMS) and interface with clients' platforms.
- **PURCHASING** services for leveraging the buying power of a global leader for laboratory supplies, aligning capacity needs and eliminating bottlenecks or delivery gaps.
- **TECHNICAL EXPERTISE:** Access to industry leading subject matter experts for critical testing requirements.
- **STAFFING, TRAINING & DEVELOPMENT** to ensure staff remain at the forefront of innovation.
