HOSPITAL

hm nens

HM Hospitales and the Barcelona Children's Hospital Foundation share the same philosophy of affording the highest quality of care, teaching, education and research in the health sector.

At present, in HM Nens Hospital we provide services that encompass almost all recognized pediatric specialties including 24/7 emergency services along with welfare.

SALUD BUCODENTAL

hm dental center

Services offered by HM Dental Center provide both adult and pediatric patients with a comprehensive care ranging from the simplest and most common dental problems, such as caries and braces, to more complex dental problems, esthetics treatments or oral care.

24/ 7 services including welfare.

# Always by your side

HM Hospitals offers our international patients (expatriates, employees, students and tourists) the best possible medical care and ensure comfort during their treatment abroad.
