

The Industrial Investment Forum

A collaboration between the Ministry of Industry and Advanced Technology, Abu Dhabi DED, ADNOC, and National Champions to showcase Abu Dhabi as a leading regional and international industrial hub

June 2nd or 3rd, 2022
ADNOC Business Center

OBJECTIVE

Attract foreign and local investors to invest in the UAE's Industrial sector

Highlight the UAE as an attractive investment environment, and Showcase various investment opportunities and incentives

Showcase national champion's (ADNOC, ADQ, Mubadala, Etisalat, EDGE, Tawazun) future demand and industrial investment opportunities

SCOPE

- Promote the "Make it in the Emirates" campaign
- Announce National Champion supply chain product opportunities demanded over the next 10 years
- Sign offtake agreements and MoUs with investors

VENUE OVERVIEW

VENUE: ADNOC BUSINESS CENTER

Exhibition & networking area overall layout

A grayscale photograph of an industrial robotic welding process. A large, multi-jointed robotic arm is positioned over a workpiece, with a bright, intense light and a dense spray of sparks emanating from the point of contact. The background shows the complex machinery of the factory floor.
