extended a vaccination program to them ?  
21 ANSWERS

## Comments

01

**ANONYMOUS**

Only in some areas such as Hokkaido, Sendai, Hiroshima. Others such as Osaka are not available.

02

**ANONYMOUS**

Appreciate CCIFJ vaccination program especially for young people as they take long time to reserve their shot at local government.

03

**ANONYMOUS**

We are based in Hadano (Kanagawa)

04

**ANONYMOUS**

We are based in Osaka and didn't extend the program to our employees in Tokyo.

05

**ANONYMOUS**

State program sometime faster than company vaccination. Also the schedule has been suspended during Aug. Thus we recommended to employees to vaccinate with city hall.

06

**ANONYMOUS**

We are all out of Tokyo.
