

REQUEST FOR PROPOSALS

The United Nations Children's Fund (UNICEF) in Mozambique is requesting proposals for conducting an **Implementation Research (process) on WASH in Health Care Facilities programme**.

The objective of the implementation research (IR) is to yield findings that can improve the delivery of the WASH in HCF programme, therefore strengthening implementation of its interventions and operations to maximize results for all children and their mothers.

Companies must have experience with similar projects: work in WASH / health sector and in South-eastern Africa and/or Mozambique context.

The documents referent to this invitation may be requested through ***supplymaputo@unicef.org***, with the reference ***LRPS-FLA-2023-9184233*** on the e-mail subject.

Companies or firms eligible to provide these services are invited to submit their proposals (technical e financial) **by 23h59 (local time) de 20th August 2023**, through ***moztenders@unicef.org***.
