ZARBAZANI

PROUDLY GEORGIAN

Zarbazabi Wine & Beauty is the ideal partner for the hotels that want to provide unique, natural wine and grape products to its customers, thereby, underlining Georgia's role as a cradle of wine.

Zarbazani Wine & Beauty is a first Georgian company which has a scaled production of wine and grape based beauty and cosmetics products. Company is using the organic soap bases from Stephenson Co. (UK) mixed with all Georgian natural ingredients and substances.

RESPECT FOR THE PLANET

- Reduced circulation – one 400 ML bottle equals seven hundred 30 ML bottles
- Efficiency - mini bottles on average have 30-50% product waste
- Sustainable for the environment - less plastic less pollution
- Reduced expenses - supplies not wasted without cause
- Less stock - not need to order in large quantities due to the local production and distribution
- Convenient distribution – Georgian production and available shortly upon demand
