

360 LAW FIRM

WE SPEAK YOUR LEGAL LANGUAGE

Full-service law firm

It is our DNA and core business to solve the many challenges and reveal the opportunities when operating cross-border, not only in and out of Denmark but throughout the Nordic countries and beyond.

One Point of Contact

Your one point of contact understand your business and the industry in which you operate. Based on your preferences, your one point of contact will coordinate our team of internal and external experts both in and outside of Denmark.

Unique team of dual-authorised lawyers

Our unique team of dual-authorised lawyers, covering many countries besides English-speaking countries such as Italy and Spain, knows your culture, language and not least the relevant legislation in your home country.

360 LAW FIRM...

- ✓ ... ensures that you receive full-service advice, so that all elements fit together – from the first time you set up business in Denmark, through the day-to-day challenges and to your future plans and targets.
- ✓ ... ensures that you have one point of contact that assists you throughout the entire process.
- ✓ ... ensures that you benefit from our extensive experience in assisting foreign businesses – in all industries – in getting a foothold and setting up business in Denmark.
- ✓ ... is available with qualified advice when YOU need it.
- ✓ ... provides you with pro-active guidance: We know the pitfalls and overlooked advantages – and provide unsolicited advice in this respect, enabling you to always make the optimum choices.
- ✓ ... knows the Danish trade unions well – and negotiates with them on an ongoing basis on behalf of businesses. Therefore, you may also look forward to a prosperous partnership and collaboration with the trade unions.
- ✓ ... has extensive knowledge to industries and networks within most areas. This means that we may assist you in scaling, from your business is being established - to a going concern.
