CMA CGM - SHIPPING & LOGISTICS CONFERENCE

The Indo-French Chamber of Commerce and Industry supported CMA-CGM Group for the inaugural of Mov'India 2019 followed by a Shipping & Logistics conference, which was held on 29th May 2019 in Mumbai.

The event commenced with a spectacular unveiling of the logo. This conference was a first of its kind initiative by the CMA CGM Group in India, aiming to bring together the key stakeholders of the shipping & logistics fraternity for

brainstorming and discussions into the relevant direction with key influencers which will be decisive in shaping the course of our industry in the coming decade. The conference was based on 3 main themes which are catalysts of change & influencing our industry dynamics: Intervention of new environmental technologies towards a cleaner shipping industry, digital disruption, the next wave of initiatives, beyond the box, new horizons for the over dimensional cargo.

It was quite an informative and impressive event which threw light on shipping and trade. Being key stakeholders in the industry, our members made this event fruitful and productive. The event was attended by approximately 250 members.
