

Is your business ready for Brexit?

Key issues your business should prepare to address

1. Imports / Exports

Examine the new tariffs and taxes that might apply to evaluate the additional cost as well as the assessments you might need

2. People

Find out how your workforce or your customers might be affected and help them prepare

3. Commercial Contracts

Determine your High-risk / High-value contracts and come up with a plan. Pay attention to particular clauses (VAT ...)

4. Data Protection

UK will be a Third Country for the purposes of GDPR and will no longer be part of the EU's Regulatory Scheme

5. Intellectual Property (IP) rights and other rights

Consider the impact of leaving the digital single market and the procedures for your domain name
