In business, location is key. Our offices are all located in prime city centre locations and feature a corporate environment, modern and stylish design and have secure parking availability.

Rani Office Towers is adjacent to the Radisson Blue Hotel, Residences and Conference facilities. The building offers high security standards, secure parking and a backup power generator.

This office is located in the Global Alliance building on Avenida Marginal, running along the Indian Ocean. The building has incredible unrestricted sea views and is located close to Hotel Southern Sun.

Our 24 de Julho office is located in the city centre, the area is very safe and popular with many cafes, restaurants and hotels in the vicinity.

## Motivations to shift to serviced offices

- o Flexibility to respond to operational changes
- o More mobile workforce
- o Greater work flexibility for employees
- o Overflow space for growing companies
- o Companies with project-based needs
- o Manage costs in a less predictable world
- o Satellite offices in globalising markets
