

Become a France Alumni partner

Become partner of the new social network of former foreign students in France

1. Develop your communities and networks

- Create or join discussion groups on subjects you are interested in
- Mobilize your partners (institutions, universities, associations, etc.) and the alumni around your projects
- Communicate directly with alumni and partners registered on the platform

2. Find public and private partners

- Create/strengthen synergies with the network of partner companies
- Access to privileged contacts who can accompany your development in Denmark or abroad (French Embassy in Denmark, Business France, the Danish-French Chamber of Commerce and Industry, Atout France)
- Participate in events organized in France or abroad by the French Embassy or its agencies (Business France, Campus France, Atout France and the French Institute).

3. Promote your brand and activities internationally

- Reach alumni in your target markets
