

LIGHT IT UP : make a difference today!

<https://lightitup.schneider-electric.org/>

# What is Light it up ?

A regional initiative to bring **access to energy** in East Asia & Japan

Objective : Distribute more than **1500** Mobyia solar lamps to vulnerable communities

and more than **500** in **Vietnam** only.

## Why lighting it up?

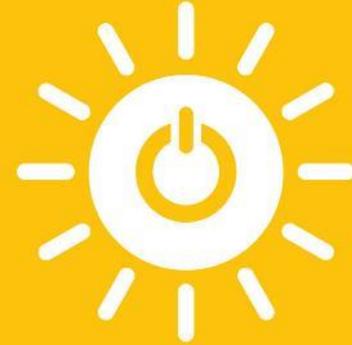

More than **100 millions** people live without access to light in East Asia

Access to Light is a **catalyst** for economic **growth**

1 lamp can provide **clean light** to a whole family

We contribute to the **Sustainable Development Goal 7**

# 7 AFFORDABLE AND CLEAN ENERGY

**BY 2030, EVERYONE  
WILL HAVE ACCESS  
TO RENEWABLE  
ENERGY SERVICES**

# Why the Mobiya?

The most adapted solution to reach the more people

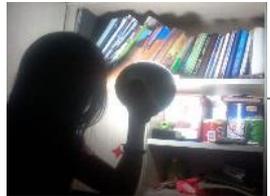

## Price friendly

1 lamp costs only 32\$ all taxes included

## Sustainability

Solar = clean & renewable energy, lasts for 5 years.

## Safety & high quality

Reliable & very safe product, nice design, unbreakable, waterproof

# Mobiya TS 170S

## Light for all everywhere!

Portable solar LED lighting system+ phone charge

Best quality & multiples usages

# How can you help?

- Donate today the amount of your choice :
  - By bank transfer to EPVN(our NGO partner) directly : possibility to get a tax exemption on your donation.
  - By debit/credit card online : <https://www.youcaring.com/epvntheredcross-1017327>
- Share the information with your customers and employees : posters available for download (link next page)
- Organize a fundraising among your customers and employees
