

# IÉSEG CAREER DAY

FEBRUARY 5,  
2026

10 AM TO 5 PM

ONLINE

FRENCH  
ENGLISH

The IÉSEG CAREER FAIR is a major event for 3rd-year and Master's students in the Grande École Program, Specialized Masters, and the Global MBA. They are seeking their 3rd-year internship (starting April 2026), end-of-studies or gap-year internships starting July 2026 in France or abroad, as well as apprenticeship opportunities (1 year at Bachelor level, 2 years at Master level). Our recent graduates are also invited to attend this fair.

## OBJECTIVES

- > **Recruit students from our programs:** Grande École Program, Bachelor in International Business, Bachelor in Management and Tech Design, Specialized Masters, Global MBA, or recent graduates ready to join your projects.
- > **Promote your opportunities:** internships (4 or 6 months), jobs, apprenticeships, V.I.E., Graduate Programs, V.T.E., in France and abroad.
- > **Engage** directly with students and recent graduates, discover their projects, and share your company culture.
- > **Develop** your visibility and reinforce your attractiveness among tomorrow's talent.

## PROFESSIONAL REPRESENTATIVES

During career forums, students expect to meet HR representatives. If operational staff members attend, they should ensure that their discussions help prepare students for your company's recruitment process.

## STUDENT PROFILE

This event is aimed at IÉSEG students (3rd-year Bachelor, Master's students in the Grande École Program, Specialized Masters, and Global MBA) seeking opportunities in France and abroad. Please specify the location of the positions in your offers, as well as the required language(s) and proficiency level.

## PLATFORM PRESENTATION

Seekube is a platform specifically designed for virtual events in the pre-recruitment space. To enhance your visibility and strengthen your employer brand, you can customize your virtual booth and create various spaces. A CV database will be available 15 days before the event, allowing you to review and source candidates you wish to meet.

## BENEFITS AND FEATURES

- > Access for 3 users on the platform (for more, please contact us)
- > Access to the CV database before, during, and after the fair
- > Pre-select candidates and schedule interviews ahead of the event
- > Send and accept meeting requests
- > Allow recruiters to select their availability slots during the fair
- > Customize your booth according to your needs and branding (recruiter access, visuals, etc.)
- > Receive technical support before and throughout the event

## RETROPLANNING

**10 JANUARY** Registration deadline via this link: <https://forms.office.com/e/eMVAjp3MnQ>

**22 JANUARY** Students access the platform and visit booths to discover available opportunities. You can browse the CV database and search for profiles you wish to meet.

**29 JANUARY** Recruiters accept/decline meeting requests from students.  
Recruiters can also source profiles and send meeting invitations.

**4 FEBRUARY** Closing of meeting requests.

## PARTICIPATION

- > €950 excluding tax for companies
- > €600 excluding tax for start-ups and scale-ups
- > €100 excluding tax for NGOs and non-profit organizations

### > PLATFORM SUPPORT

Our team will provide tools to assist you in preparing for the fair: one-to-one meetings, exhibitor guide, etc.

### CONTACT

Your dedicated contact within the Corporate Relations Department remains at your disposal for any questions or support.
