About Nu Skin

Nu Skin is a global integrated beauty and wellness company that helps people look, feel and live their best with products that combine the best of science, technology and nature, including an award-winning line of beauty device systems.

BEAUTY FROM THE OUTSIDE Personal Care

Let's time-travel to the future. Imagine your future self – glowing with confidence from head to toe! With Nu Skin, no matter where you are in your journey, our personal care range offers solutions that work to make you look and feel amazing!

BEAUTY FROM INSIDE OUT Wellness

We are committed to helping you achieve the best version of yourself. Our intelligently formulated food supplements, beauty supplement, wellness programme and targeted solutions are inspired by nature and powered by science.

IT ALL BEGINS WITH INNOVATION

Since Nu Skin was founded in 1984, innovation and collaboration have always been at the heart of what we do. You can see it in the quality of our products and the way we work — leading scientists, ground-breaking technologies, and partnerships with scientific institutions come together to create.

SCIENCE AT THE FOREFRONT

We aspire to shift the unshiftable and change the world around us, one amazing product, or one amazing person, at a time.

There is no better example than our ageLOC science. This revolutionary **anti-ageing research and technology** led to the creation of some of our most-loved and innovative products and devices. We are always looking to work with the keenest minds in science.

Our products are researched, tested, and developed by a team of over **75 in-house scientists** around the world, and guided by our **Scientific Advisory Board**. Comprising experts in various fields, this collective think tank provides unique insights that help us innovate and deliver new and exciting products long into the future.

We have invested in large research & development centers: together, our **Centre for Anti-Ageing Research** in our American hometown Provo and our **Greater China Innovation Park** total 3944 square meters, featuring 11 state-of-the-art labs used for the development and evaluation of Nu Skin products.

CORE VALUES

We are not only innovative, but also value being ethical, optimistic, realistic, sustainable and compassionate. We aim to empower people and be a Force for Good (you can find our Force for Good section at the end of this catalogue) and a Force for Green, but we recognize that things don't come fast or easy. This is why we are working hard to reach our goals and deliver on expectations.

SELLING DIRECT

Loving our products doesn't have to be the end of your Nu Skin journey. For many of our Brand Affiliates, it is just the beginning. Whether you're interested in sharing your favourite products with your friends or see yourself taking it even further by building an entire business, don't hesitate to ask the person you are in contact with regarding Nu Skin products or go to nuskin.com for more information.

AGELOC

Unlock the Secrets to Youthful-Looking Skin

The journey to radiant, youthful looking skin begins here. Discover the power of Nu Skin's renowned ageLOC anti-ageing ingredients—scientifically formulated to target the visible signs of skin ageing at their source.

Paired with our cutting-edge technologies—LumiSpa iO, Galvanic Spa, ageLOC Boost and WellSpa iO systems—and a full range of personal care products, ageLOC delivers everything your skin needs. Whether you're addressing the early signs of ageing or enhancing your skin's youthful appearance, ageLOC helps reveal a smoother, more luminous complexion.

ageLOC Tru Face

Ageing is a natural part of life. Embracing it mindfully is our choice.

Introducing ageLOC Tru Face—Nu Skin's premium skincare range designed to help you celebrate the beauty of ageing with confidence and grace.

This is Nu Skin's first scientifically advanced, clinically proven well-ageing line, powered by proprietary ageLOC technology—the result of decades of research into epigenetics and gene expression. Each formula is infused with cutting-edge science and thoughtfully developed to meet your skin's evolving needs.

From enhancing skin resilience and hydration to supporting a radiant, healthy-looking glow, ageLOC Tru Face offers personalised routines to age well. While it effectively addresses visible signs of skin ageing—such as fine lines, wrinkles, and loss of elasticity—it does so without making unrealistic promises to reverse time.

Instead, ageLOC Tru Face champions a mindful, empowering approach to skincare—one that prioritises everyday care for longer youthful looking skin and empowers you to feel your best at every stage of life.

AGELOC TRU FACE REFINING TONER

60 ML

AGELOC TRU FACE LINE CORRECTOR

30 ML

REASONS TO LOVE

Formulated with our ageLOC technology and a unique PrepPlus blend, ageLOC Tru Face Refining Toner is a soothing, sophisticated toner infused with hydrating ingredients.

Perfect for breathing renewed freshness into fatigued-looking skin, it gently prepares your face for the next steps in your skincare routine and delivers a radiant and revitalised complexion.

Ageing is a natural evolution, rich with beauty and wisdom, though we know that visible lines and wrinkles can sometimes stir moments of self-consciousness. This is where ageLOC Tru Face Line Corrector steps in. Specifically designed for targeted areas, this serum is powered by ageLOC technology and a Triple-peptide Complex to visibly soften the appearance of fine lines and wrinkles, particularly around the mouth and eyes.

HOW TO USE

After cleansing in the morning and evening, dispense a good amount into your palms and press gently onto your face and neck until fully absorbed. You may also apply it with a cotton pad if you prefer. Avoid the eye area.

Complete your routine by following with your preferred ageLOC Tru Face serum and moisturiser for optimal results.

Use morning and evening after cleansing and toning. Apply to fine lines and wrinkles around the eyes, mouth, and forehead before following up with your preferred ageLOC Tru Face serum. Follow with an ageLOC Tru Face moisturiser to continue your routine.

DID YOU KNOW

Prejuvenation refers to adopting a skincare routine that includes products proven to help maintain youthful-looking skin and a healthy-looking glow. Rejuvenation, on the other hand, involves using skincare products that help revitalise and rejuvenate skin appearance already showing visible signs of ageing, such as fine lines, wrinkles, and uneven skin tone.

ageLOC Tru Face Refining Toner is the perfect fit for both routines!

Although it can be used alone, ageLOC Tru Face Line Corrector is the perfect pair for ageLOC Galvanic Spa device!

A 8-week clinical study* showed greater improvements in the appearance of fine lines, crow's feet and smoothness when using ageLOC Galvanic Spa in conjunction with ageLOC Tru Face Line Corrector, compared to using ageLOC Tru Face Line Corrector alone.

Not only did the combined usage of the serum and the ageLOC Galvanic Spa device instrument improved the overall appearance of these skin characteristics, it also increased the speed with which ageLOC Tru Face Line Corrector's effects started to be perceived.

* Results obtained from a third-party professional assessment based on an 8-weeks in vivo, single-site, single-blind, split-face study performed on 40 female subjects aged 35 and above. Participants were instructed to apply a thin layer of ageLOC Tru Face Line Corrector twice daily on the entire face. The Galvanic Spa device was used twice per day around the eye area, but only on one randomly assigned side of the face. Instrumentation measurements, self-perception feedback, and clinical evaluations were used to assess results

AGELOC TRU FACE FUTURE SERUM

30 ML

Looking to age gracefully? Reveal a more youthful skin appearance, morning and night, with ageLOC Tru Face Future Serum. This clinically proven formula reveals youthful looking skin in 8 ways : firmness, smoothness, skin tone evenness, fine lines/wrinkles, radiance, pore appearance, appearance of skin discolouration, and hydration.

This multitasking serum gives you clinical-strength results at home from 7 days¹, while combining the benefits of multiple anti-ageing products into a single formula.

Apply morning and evening after cleansing and toning, and before moisturising. Dispense about 2 pumps onto your fingertips and apply to face and neck.

The formula uses incredible science! It's infused with:

- Our exclusive ageLOC technology that targets the sources of the visible signs of skin ageing to promote a youthful, vibrant appearance,
- A potent anti-ageing ingredient blend to visibly firm, lift, and smooth the skin,
- And a Skin Brightening Complex shown to help reduce the appearance of discolouration, dull or uneven skin tone.

¹ Based on a randomized, in vivo, 12 week clinical study assessing the efficacy of ageLOC Future Serum. 29 female asian & caucasian subjects with mild to moderate wrinkles & mottled pigmentation, aged from 40 to 70 applied the ageLOC Future Serum twice per day for 12 weeks.

AGELOC TRU FACE FUTURE SERUM

30 ML REFILL

ageLOC Tru Face Future Serum is a refillable serum

The original packaging of ageLOC Tru Face Future Serum includes a cap and a pump dispenser for convenient usage, along with an outer case that contains a replaceable cartridge (or "refill").

Once the first cartridge is empty, a new one can simply be inserted in the outer case.

The original packaging requires replacement every 3 to 6 months to ensure proper dispensing and microbiology safety.

Insert this refill cartridge into your original ageLOC Tru Face Future Serum packaging and use your serum as you are used to!

The sustainable design of ageLOC Tru Face Future Serum allows 53% reduction in annual packaging waste* and 72% reduction of packaging per refill compared to typical single-use glass packaging!**

Moreover, the cartridge is made with 100% recycled material (excluding lid) and is composed of only one type of material (PP). Please check your local options to verify recyclable capacity.

* Percentage obtained by comparing the weight of previous packaging of ageLOC Future Serum (glass, pump & lid) to the current packaging (refill cartridge, outer case, pump and lid); considering that consumers will buy per year: 12 units of the previous ageLOC Future Serum packaging, compared to 4 complete systems ageLOC Tru Face Future Serum and 8 refill units.

AGELOC TRU FACE PEPTIDE RETINOL COMPLEX

30ML

Formulated for results and designed for daily use, ageLOC Tru Face Peptide Retinol Complex is your go-to solution for visibly reducing hyperpigmentation, dark spots, and uneven skin tone.

Powered by our exclusive ageLOC technology, this advanced serum formula combines a Retinol Complex with an AI-identified peptide to deliver targeted results. Together, they visibly reduce fine lines and wrinkles, helps noticeably improve skin texture and reduces the appearance of pores—while prioritizing what matters most: a brighter, more even complexion.

After cleansing and toning, apply to face and neck once daily as part of your evening skincare routine. For optimal results, extend application to the décolleté and backs of your hands—areas that often show signs of aging similar to the face and neck.

Because retinol can increase your skin's sensitivity to the sun—especially during the first few weeks of use—we recommend limiting sun exposure and wearing broad-spectrum sunscreen daily, applying it during your morning routine.

ageLOC Tru Face Peptide Retinol Complex features a next-generation Retinol Complex, combining slow-release retinol with a retinoic acid ester—a cutting-edge form of retinoic acid. This advanced blend delivers optimal skin benefits while maintaining skin comfort, making it ideal for daily use.

What sets this serum apart is the inclusion of an AI-identified peptide. On its own, this peptide helps boost a key component of younger, bouncier-looking skin. But when paired with retinol, it works synergistically to optimise visible results—enhancing smoothness, and overall skin tone evenness.

AGELOC GALVANIC SPA AND AGELOC

for skin that's youthful looking from head to toe

The cosmetic products combined with the ageLOC Galvanic Spa, helps achieve a youthful look from head to toe, with conductors for the face, scalp and body. You'll watch in wonder as the appearance of fine lines and wrinkles is reduced, a radiant complexion comes to life, and your scalp and skin are revitalised. Designed to optimise the benefits of our accompanying skin care products through galvanic current, the secret to youthful looking skin lies at your fingertips.

GALVANIC SPA

ANTI-AGEING SKIN REVITALISING DEVICE

When used with different Nu Skin products, this intuitive, modern device employs self-adjusting galvanic current commonly used in spas to help optimise their benefits. Smooth the appearance of fine lines and wrinkles, rejuvenate your complexion, and revitalise your skin's appearance.

GALVANIC SPA FACIAL GELS

REFRESHING & REVITALISING
ANTI-AGEING FACIAL GELS 8 X 4 ML

Used together with Nu Skin's ageLOC Galvanic Spa device, ageLOC Galvanic Spa Facial Gels bring that spa-like experience into the comfort of your own home, firming and lifting your skin while removing impurities and helping to visibly reduce the appearance of fine lines and wrinkles*. Our ageLOC ingredients target the visible signs of skin ageing to help reveal your youthful look.

REASONS TO LOVE

HOW TO USE

Use together with the ageLOC Galvanic Spa Facial Gels, Tru Face Line Corrector, ageLOC Nutriol Intensive Scalp & Hair Serum, or ageLOC Body Shaping Gel and the appropriate Galvanic Spa conductor. Following the specific usage instructions, apply the product on your skin. Attach the conductor and select from Application #1 to #5 as directed.

Use the gels together with your Galvanic Spa device and Face Conductor 2 or 3 times a week. Smooth the Pre-Treat Gel onto your face and neck and begin by selecting Application #1 on your device for the first application. Keep the device in contact with your skin. Remove any excess product and repeat the process with the Treatment Gel, selecting Application #2.

GALVANIC SPA FACE CONDUCTOR

FACIAL CONDUCTOR

This handy tool offers the ideal surface to use with your ageLOC Galvanic Spa Facial Gels. Its unique grooves create an area that captures more ageLOC product between the conductor and the skin. As the Face Conductor is moved around the skin, fresh product is captured and moved on the skin.

Use the facial conductor together with your Galvanic Spa device and ageLOC Galvanic Spa Facial Gels 2 or 3 times a week. Smooth the Pre-Treat Gel onto your face and neck and begin by selecting Application #1 for 2 minutes. Keep the device in contact with your skin. Remove any excess product and repeat the process with the Treatment Gel, selecting Application #2 for 3 minutes.

This tool is only suitable for use with the ageLOC Galvanic Spa and ageLOC Galvanic Spa Facial Gels.

GALVANIC SPA FOCUS AREA CONDUCTOR

FOCUS AREA CONDUCTOR

The smooth, oval-shaped node of the Galvanic Spa Focus Area Conductor allows for better contact on key areas of your skin, helping to optimise the effects of Tru Face Line Corrector as it targets the fine lines and wrinkles around your mouth, eyes and forehead.

Press firmly to snap the conductor into place. Smooth a generous amount of Tru Face Line Corrector over the lines around your mouth, nose, eyes and forehead, applying to one target area at a time. Do not rub in. Avoid direct contact with your eyes. Select Application #3 and spend maximum 5 minutes on the entire face each morning and night.

You can use this handy add-on with both the ageLOC Galvanic Spa and Tru Face Line Corrector.

GALVANIC SPA SCALP CONDUCTOR

SCALP CONDUCTOR

Redesigned with optimised ergonomics, this helpful comb-like conductor is easier to use than ever before. Its tines have more surface area than the older model and are contoured to fit the shape of the scalp, increasing contact by up to 50% percent and making sure you get the most from your ageLOC Nutriol Intensive Scalp & Hair Serum.

REASONS TO LOVE

HOW TO USE

Press firmly to snap the conductor into place. Apply ageLOC Nutriol Intensive Scalp & Hair Serum on dry or damp hair. Part hair as necessary to mist serum directly onto scalp and roots. Gently massage product into scalp with fingers and comb away any unruly strands. Select Application #5 and use for 2 minutes, morning and night.

DID YOU KNOW

As the name suggests, the Galvanic Spa Scalp Conductor is a great addition to your ageLOC Galvanic Spa and is key in achieving the benefits of ageLOC Nutriol Intensive Scalp & Hair Serum.

GALVANIC SPA BODY CONDUCTOR

BODY CONDUCTOR

Formed with three rounded nodes for product coverage, Galvanic Spa Body Conductor is easy to use together with ageLOC Body Shaping Gel.

Press firmly to snap the conductor into place. Smooth a generous amount of ageLOC Body Shaping Gel over one target area (arms, abdomen, thighs or buttocks). Do not rub in. Select Application #4 and spend 5 minutes on each target area, 3 days per week.

The Galvanic Body Spa conductor offers a bigger conduction surface, allowing the use of ageLOC Galvanic Spa device on the bigger parts of your body, such as arms, abdomen, thighs or buttocks.

BODY SHAPING GEL

BODY CONTOURING GEL 150 ML

Used with the Galvanic Spa, this gel targets the sources of visible signs of skin ageing and smooths the appearance of cellulite for a firmer, contoured skin appearance. Formulated to refresh the skin, the visible signs of ageing are reduced, and the appearance of dimpled areas is evened out, all to help improve the overall look and feel of your skin.

REASONS TO LOVE

For optimal results, use together with the Galvanic Spa, once per day, 3 days a week on your arms, abdomen, buttocks and/or thighs. Apply the gel to the desired area then wet your hands before using the device to massage the area until the cycle ends. Wipe away any excess with a damp cloth and follow up with ageLOC Dermatic Effects.

HOW TO USE

This gel, designed to be compatible with the Galvanic Spa device, is specially formulated to refresh the appearance of your skin, while reducing the visible signs of ageing.

AGELOC LUMISPA iO SYSTEM

The foundation of a solid skincare routine is its very first step – cleansing!

When you cleanse your face right, you get rid of all traces of makeup, dirt, and daily grime. But when you cleanse your face with ageLOC LumiSpa iO System, your skincare gets smarter, results get better, and benefits go way beyond cleansing! Powered by IoT, meaning “internet of things” or physical objects designed to connect, the ageLOC LumiSpa iO includes **Bluetooth® Connectivity** that allows you to connect the device with the **Nu Skin Vera app** on your phone.

In just two minutes, twice a day, you experience multiple clinically proven skin benefits that intensify over time like thorough cleansing, softness, smoothness, radiance, reduced appearance of pores, clarity, and freshness.

And thanks to its smart IoT technology, you get to superpower your routine with features like **Customised Skincare Routines, Intelligent Coaching, Selfie Timeline, Easy Reordering**, personalised product recommendations, usage trends, awards, and so much more!

The benefits don't end there! When your device is attached to **ageLOC LumiSpa iO Accent Head** and used with ageLOC LumiSpa IdealEyes, it works to promote brighter, healthy-looking skin around the eyes while helping it look firmer, smoother, and more hydrated.

AGELOC LUMISPA iO SYSTEM

POWERFUL, GENTLE,
SMART SKINCARE SYSTEM 100ML

LumiSpa iO System inputs (i) smart skin care and outputs (o) radiant, healthy and youthful-looking skin. Thanks to Bluetooth® Connectivity, you can connect the device with the Nu Skin Vera app on your phone unlocking a set of features that provide intelligent guidance to better use your LumiSpa iO device and keep you on track with your skincare goals.

Once your device and phone are paired and your routine is selected, wet your face with lukewarm water and then dispense an ample amount (bigger than an almond) of LumiSpa Activating Cleanser onto your hand. Apply evenly to your face and then cleanse with your LumiSpa iO device for two minutes. Follow with next steps in your skincare routine.

ageLOC LumiSpa Activating Cleansers are the only formulations tested and approved for use with the LumiSpa iO device that deliver the full system benefits and promote healthy, youthful-looking skin. The LumiSpa device is also available to purchase in a non-connected version.

AGELOC LUMISPA ACTIVATING CLEANSER

CREAMY FACIAL CLEANSER
FOR DRY SKIN 100ML

Dry, flaky skin can be a challenge. The ingredients in this cleanser are formulated to tackle just that. It contains a blend of humectants to help protect and maintain skin's natural moisture, providing skin comfort. Additionally, Salicyloyl Phytosphingosine helps soothe the skin.

AGELOC LUMISPA iO SILICONE HEAD

HYGIENIC NON-ABRASIVE SILICONE HEADS
NORMAL / GENTLE / FIRM

Part of the ageLOC LumiSpa iO System, the Silicone Head is a soft, non-abrasive silicone surface that is more hygienic than brushes commonly found in the market. Its sophisticated design helps to maximise product benefits while making your skin more receptive to subsequent products. Available in Normal, Firm, and Gentle options to deliver a personalised cleansing experience.

REASONS TO LOVE

HOW TO USE

The Silicone Head is designed to be easy to clip on or take off. To make sure your device stays in tip-top shape, thoroughly rinse the device, the head and the back of the head after each use and leave it to dry completely. Remember to apply the Activating Cleanser directly on your face and not on the Silicone Head.

DID YOU KNOW

Smart device sensors recognise whether it is the Accent Head or one of the Silicone Heads that it is attached and alert you with a Replacement Badge in the app when it's time to replace it! These heads are uniquely designed to be compatible with ageLOC LumiSpa iO device. The heads compatible with non-connected LumiSpa are also available to purchase separately.

AGELOC LUMISPA iO ACCENT & IDEALEYES

FIRMING AND REFRESHING EYE CARE KIT

Made as an attachment for your ageLOC LumiSpa iO device, the Accent Head has been painstakingly crafted to enable precise cushioning and interaction with your skin. In just one minute a day, together with IdealEyes, the system works hard (and smart) to promote brighter, firmer, smoother, more hydrated, and healthy-looking skin around the eyes. Ideal, isn't it?

Apply ageLOC LumiSpa IdealEyes on the skin around the eye (avoiding the eyelids or eyes themselves). Following the bone structure around the eye area, glide LumiSpa Accent iO using slow gentle motion. Take care not to scrub or move across the skin quickly. The device will pause briefly after 30 seconds indicating that it's time to move to the other eye area. Massage the excess cream into the skin around your eye.

Thanks to the sensors in the LumiSpa iO Accent Head, your LumiSpa iO device will automatically detect that it has the Accent Head on and will work as recommended. The LumiSpa iO Accent Head is uniquely compatible with the LumiSpa iO device while IdealEyes is compatible with both LumiSpa and LumiSpa iO device. The Accent Head for the non-connected LumiSpa device is available to purchase separately.

AGELOC LUMISPA BLEMISH SERUM

PORE-CLEARING SERUM FOR BLEMISH PRONE
SKIN 30 ML

Clear the way for smooth, healthy-looking skin! ageLOC LumiSpa Blemish Serum is the ultimate solution for congested complexions. It helps tackle the appearance of blemishes while working to keep future breakouts at bay. Combining this with Nu Skin's proprietary ageLOC ingredient blend, the multi-action serum simultaneously promotes youthful-looking skin.

After cleansing with your ageLOC LumiSpa iO System, apply a thin layer to the entire face evenly. If you would like to use a second serum, please allow two minutes before applying it. Follow with your favourite moisturiser. Use daily, morning and night.

Noni Extract (Morinda Citrifolia Extract) included in this formula is obtained through Controlled Environment Agriculture (CEA) – a technology-based approach to growing and cultivating ingredients that are sustainable. It provides comfort and a soothing feeling to the skin. The presence of Silver is also visible in the gray hue of the serum.

NU SKIN 180°

turn your complexion around

Designed specifically to soften the visible signs of skin ageing in those over 35, these products refine skin texture, even skin tone, and diminish the appearance of fine lines and wrinkles for a youthful look you're sure to love.

180° FACE WASH

ANTI-AGEING FACE WASH 125 ML

Containing 10% active, free-flowing Vitamin C, Nu Skin 180° Face Wash brings anti-ageing benefits to your daily cleanse. In addition to targeting the appearance of age spots and skin discolouration, this rich, creamy formula helps to support firm skin and to diminish the appearance of wrinkles.

Use morning and night as the first step. Moisten face and neck with lukewarm water. Place a small amount of cleanser onto fingertips. Apply to face and neck. Then, with wet hands, gently work into a light lather. Rinse with warm water and pat dry.

Contains sesame oil (Sesamum Indicum Seed Oil) and sunflower oil (Helianthus Annuus Seed Oil), rich emollients that avoid moisture loss and help maintain the skin's protective moisture barrier, leaving skin feeling clean, fresh and soft.

180° AHA FACIAL PEEL AND NEUTRALIZER

ANTI-AGEING FACE PEEL 2X25 ML

Formulated with lactic acid solution, the AHA Facial Peel sweeps away the appearance of visible signs of skin ageing. The Alpha-hydroxy acids (AHAs) help stimulate skin cell turnover, so your complexion appears brighter and smoother. The Neutralizer is designed to limit topical sensitivity.

Use three times weekly, after cleansing and toning. STEP 1: Gently swipe one AHA Facial Peel pad over face and neck, avoiding the eye area. Allow the solution to remain on the face for no more than 10 minutes. STEP 2: Gently swipe one AHA Facial Peel Neutralizer pad over face and neck. Without rinsing your skin, follow with a Nu Skin moisturiser of your choice containing Sun Protection Factor. Please note: a mild stinging sensation may occur with application, which is normal. However, if irritation persists, rinse your face with warm water. The AHA Facial Peel Neutralizer features an extract of oat kernel, known to soothe your skin.

Lactic Acid in the Facial Peel promotes skin cell turnover and exfoliates dead cell build-up in the skin's surface, helping to diminish the appearance of lines and wrinkles, improve the texture of rough skin, and brighten skin surface discolouration. Oat Kernel Extract (Avena Sativa Extract) in the Neutralizer exhibits properties that soothe the skin and help reduce topical sensitivity.

NUTRICENTIALS

Powered by nature,
proven by science

We all want radiant skin, no matter what. But it isn't easy. We all experience stress, lack of sleep, pollution, and the impact of UV rays, all of which can take away that gorgeous glow. That's why we created Nutricentials. Through innovative science, we took the power and resilience of bioadaptive plant extracts that thrive in the harshest of conditions and turned them into something that works for your skin:

Our bioadaptive botanical complex is the secret to our bioadaptive skincare system.

By helping your skin meet the challenges of your own ever-changing environment, Nutricentials helps keep it looking beautiful and radiant wherever life takes you, helping you make every day a great skin day.

HYDRACLEAN CREAMY CLEANSING LOTION

CREAMY GENTLE SOAP FREE
FACIAL CLEANSER 150ML

This gentle cleansing milk is a luxurious, creamy, soap-free facial cleanser, and is great at multitasking. It cleanses away dirt, excess oil, and makeup, all while helping to maintain your skin's natural moisture barrier. Its mild formula is infused with bioadaptive botanicals and skin conditioning ingredients which help to comfortably moisturise skin.

Gently massage HydraClean into the wet skin on your face and neck using your fingertips, then rinse thoroughly and pat dry. Follow up with one of our two toners, In Balance or Here you Glow. Use morning and evening.

Our formula contains a few ingredients which you may not expect to see – we use meadowfoam seed oil to hydrate and soften your skin, while a blend of skin conditioning agents and a compound from liquorice extract helps maintain its natural moisture barrier and leave it feeling soothed.

TO BE CLEAR PURE CLEANSING GEL

GENTLE SOAP-FREE
FACIAL CLEANSING GEL 150ML

Remove pore-blocking dirt and leave your skin feeling refreshingly clean. This powerful gel-to-foam formula cleanses away dirt, oil, and makeup while keeping your skin hydrated. The secret is the amino acid cleansing agents that clean pores and the moisturising ingredients that refresh and soothe skin.

Gently lather the gel over your wet face and neck using your fingertips, then rinse thoroughly and pat yourself dry. Follow up with one of our two toners, In Balance or Here you Glow, repeating the process both morning and evening.

Other cleansers can rid skin of too much oil, leading to over drying. Nutricentials To Be Clear features amino acid-based cleansers that form a gentle foam to clean pores and remove excess oil. At the same time, moisturising ingredients help your skin stay comfortably hydrated.

pH balancing toners bring several key benefits to your skin. Not only do they bring a refreshing burst of hydration after cleansing, but they also help to balance your skin's pH levels, preparing your skin for the next steps of your daily routine, such as serums and moisturisers.

In our recent clinical trials, we saw some incredible results! 100% of participants said their skin looked more radiant* after using Here You Glow.

*Results obtained from an in-house study including 25 participants who used Here You Glow Exfoliating Toner twice per day on their face for two weeks before self-evaluating their visible results.

CELLTREX ALWAYS RIGHT RECOVERY FLUID

FACIAL NOURISHING SERUM 30ML

Keep your skin soft, radiant, and comfortable during the day, and help it bounce back from environmental stressors during the night. This fast-absorbing serum features our HydraFlex Blend to help meet your skins hydration needs and a bioadaptive botanical blend to help protect against everyday stressors like late nights, busy days, and urban pollution.

After cleansing and toning, apply the serum to your face and neck in an upward and outward motion, then follow up with your favourite moisturiser.

The HydraFlex Blend forms a soft, ultra-light shield that auto adapts to your environment, making sure your skin always has the hydration it needs. This means it will attract moisture when dry, but filter it away if your surroundings get hot or humid, so your skin always feels soft and comfortable.

EYE LOVE BRIGHT EYES ILLUMINATING EYE CREAM

HYDRATING AND BRIGHTENING EYE CREAM 15ML

Eye Love Bright Eyes is the ultimate pick-me-up for improving the look of tired eye area. This lightweight, creamy formula helps enhance skin radiance and reduces the appearance of dull, uneven, and stressed skin caused by daily stressors, including blue light exposure.

Lightly pat around the eye morning and evening after cleansing and toning, and before applying the serum and moisturiser. Avoid direct contact with eyes. Do not apply to eyelids.

Apple Extract (Pyrus Malus Fruit Extract), a natural moisturising saccharide complex in this formula, provides a burst of moisturisation. Together with additional humectants (Glycerin, Butylene Glycol), it helps skin look healthier and younger and feel dewy and hydrated.

This moisture-recharging gel-cream facial mask delivers a rush of immediate and long-lasting overnight hydration. It supports your skin's natural moisture barrier through the night so you wake up to skin that is glowing, radiant, and 150%* more hydrated.

Apply a generous amount on top of your serum or moisturiser for an extra boost of hydration as the last step in your nighttime routine. Allow to absorb slightly. Leave on for overnight hydration. Use 2–3 times per week.

One of the ingredients, Deep Sea Water (Sea Water)—is obtained from Noirmoutier, also called the Island of Mimosas, a French Island. It helps improve skin luminosity, helps reduce the appearance of pores, and soothes the skin.

*Results obtained from a third-party professional assessment based on a 24-hour in vivo study performed on 17 healthy female and male subjects aged 18 and over. The moisturisation level of skin was measured using a corneometer in three areas; one area where Pillow Glow had been applied, alongside two areas for positive (glycerine) and negative (untreated) controls.

SPA DAY CREAMY HYDRATING MASQUE

NOURISHING FACE
AND NECK MASQUE 100ML

If any nourishing facial mask could be called a spa-day-in-a-tube, it's this one. Made with bioadaptive botanical extracts, Spa Day contains a hydrating formula which helps lock moisture into the skin, reducing dryness and leaving you with a healthy glow. Whenever your skin needs a little extra moisturising "me time", you know just where to turn.

After cleansing, apply the masque liberally to your face and neck and let sit for 10 minutes, then rinse off with warm water.

Spa Day is powered by a special ingredient called saccharide isomerate – a humectant derived from plants that helps keep your skin looking dewy and radiant.

BRIGHTER DAY EXFOLIANT SCRUB

FACIAL CLEANSING SCRUB 100ML

This innovative exfoliant scrub removes dead skin cells and pore-blocking impurities to leave your complexion looking smooth and glowing bright. It is formulated with a blend of skin-conditioning agents that refreshes and soothes your skin for added post-scrub comfort. With a fresh scent and natural purple colour to delight your senses, Brighter Day is gentle-cleansing bliss.

Moisten skin with warm water. Apply in a gentle circular motion to face and neck for 30 seconds. Rinse with warm water and towel dry. Use twice a week as needed.

Our double-feature formula uses pomegranate enzymes to help loosen dead skin cells while natural exfoliating minerals remove them from your skin. Combining both enzymatic and physical exfoliation clears out dead skin cells more effectively than either would alone.

GLACIAL MARINE MUD

PURIFYING MUD MASK FACE AND BODY 125 G

Using a sea clay extract taken from a remote glacial estuary in Canada, Glacial Marine Mud creates an amazing face mask filled with skin-beneficial minerals and trace elements. It works to soften and exfoliate the skin while also helping draw out impurities out impurities and toxins, leaving it feeling clear and nurtured.

Apply a generous layer of mud to your skin, making sure to avoid your eye and mouth areas. Let it dry for 15 to 20 minutes, or until its colour changes to a light aquamarine, then rinse thoroughly with warm water. Repeat this process two or three times a week.

Legend has it that Native Americans of the Pacific Northwest tried (and failed) to use this mud for pottery. The clay didn't hold, but they soon noticed that their hands had become softer and more hydrated as a result. Fast forward to today, where we've refined this mud further to create the mask you know and love.

MARINEOMEGA

FOOD SUPPLEMENT WITH 60 SOFT GELS

Fatty acids are dietary nutrients important for the healthy function of key structures and systems in the body. Essential fatty acids, like omega-3 fatty acid, can only be obtained from food including food supplements, with fatty fish being their main dietary source. MarineOmega contains concentrated fish oil alongside the Antarctic Krill oil, which provide a high level of EPA and DHA – two of the main omega-3 fatty acids. This formula brings several benefits:

- A daily intake of 250 mg of EPA and DHA contributes to the normal function of the heart.
- A daily intake of 250 mg of DHA contributes to the maintenance of normal brain function and normal vision.

Take 2 softgels daily with a meal, either at once or separately.

If you take MarineOmega according to our recommendations, you provide your body with over 700 mg of EPA and 500 mg of DHA per day to support your heart, brain, and vision with only 2 softgels per day.

*TRME REALMe is not sold in Belgium. The kits do not contain REALMe in this market.

**Substituting one daily meal of an energy restricted diet with a meal replacement contributes to the maintenance of weight after weight loss. Substituting two daily meals of an energy restricted diet with meal replacements contributes to weight loss.

TRME INNERNu

FOOD SUPPLEMENT 30 SERVINGS

Intestinal comfort can contribute to your overall feeling of wellbeing. TRME InnerNu has been designed to act as your digestion support thanks to Ginger Rhizome Extract and Artichoke Leaf Extract, the latter ingredient additionally helping your body to detoxify.*

TRME MyEDGE

FOOD SUPPLEMENT 20 SERVINGS

If you'd like to control your cravings, TRME MyEdge can help you. It contains Carob Powder that will help you limit the feeling of food craving,* no matter what your motivations are. It also contains Chromium that contributes to the maintenance of normal blood glucose levels and White Mulberry Leaf Extract that contributes to normal blood sugar levels*†.

REASONS TO LOVE

HOW TO USE

Take 2 capsules once daily with the meal of your choice.

Mix one stick pack with 100ml of the liquid of your choice. Take once daily right before or with a meal. If settling occurs, stir again before consuming. You can also mix TRME MyEdge in your food or a beverage other than water.

DID YOU KNOW

To kickstart your journey, you can choose to detoxify* your body thanks to the Artichoke Leaf Extract. The presence of this ingredient, as well as of Ginger Rhizome Extract, makes TRME InnerNu a great digestion support* to use on a regular basis throughout the ageLOC TRME system.

Did you know that there can be many reasons why you crave food? Sometimes it's simply because you're hungry, other times you snack to feel better, and sometimes just out of habit or boredom, which is perfectly fine! But if you'd like to control your cravings, TRME MyEdge can help you with that thanks to the presence of Carob Powder.*

TRME MyGOAL

FOOD SUPPLEMENT 30 SERVINGS

Are you on your weight management journey and looking for a product to help you lose weight? Search no further – TRME MyGoal is exactly what you need to support your weight management efforts! This food supplement contains carefully selected ingredients, like Glucomannan that contributes to weight loss, and a complex of vitamins (Vitamin C, Vitamin B6, and Vitamin B12) so that you can provide your body with key micronutrients at the same time.

TRME REALMe

FOOD SUPPLEMENT 30 SERVINGS

There are many ways to improve your body balance journey, both mental and physical. But did you know that the healthy liver can contribute to your overall health and wellbeing? As the largest gland in the human body, the liver plays an important role in various metabolic processes, including the metabolism of fats. Thanks to the *Curcuma longa*, TRME REALMe prevents fat accumulation by the liver and facilitates their breakdown by the liver.*

REASONS TO LOVE

HOW TO USE

Mix one sachet with a big glass of water (at least 250ml) 3 times per day, 15-20 minutes before each meal. Stir until completely dispersed into fluid, then drink immediately before it thickens too much.

Take 2 capsules once daily with the meal of your choice.

DID YOU KNOW

Glucomannan is a dietary fibre that has a remarkable ability to absorb water, which means it forms a viscous, gel-like mass in the stomach when mixed with liquid and this “mass effect” that can lead to a decrease in subsequent energy intake. When used in conjunction with an energy-restricted eating plan, Glucomannan contributes to weight loss.*

The liver is the largest internal organ, and something even more impressive than its size is its functionality. Acting as a central hub, the liver plays a key role in many bodily processes working hard to contribute to maintaining your overall health. For instance, it is involved in the metabolism of carbohydrates, proteins, and lipids (or fats).

*The beneficial effects are obtained with a daily intake of 3 g of glucomannan in three doses of 1 g each, in addition with 1-2 glasses of water, before meals and in the context of an energy-restricted eating plan.

This product is not available in Belgium.
*Claim on-hold. The prevention of fat accumulation is linked to their destockage by the liver, thanks to Curcuma Longa. This claim is not recognized by IT legislation.

TRME M-BARS

MEAL REPLACEMENT BAR 10 & 30 PACK

Vegan*, low in sugars and high in fibre, a single bar replaces one main meal per day as part of an energy restricted diet in which other foods are necessary. Available in chocolate and in pack of 10 or 30 bars.

REASONS TO LOVE

For those looking to maintain their weight after weight loss, substitute either breakfast, lunch or dinner for a single bar. Eat the bar with a glass of water. Those looking to lose weight may substitute two main meals per day with one bar per meal.

HOW TO USE

Like all meal replacements, each M-Bar consists of at least 30% of the NRV of vitamins and minerals. Make sure to enjoy them with an adequate daily fluid intake, regular exercise and as part of a varied, balanced diet!

DID YOU KNOW

**The TRME M-Bar Chocolate does not contain ingredients of animal origin. There may be an unintended presence of non-vegan substances used as processing aids or present in the manufacturing facility.*

FORCE FOR GOOD

A culture of giving back

At Nu Skin, we want to be a Force for Good through caring for our planet, improving the lives of children, nourishing future generations and investing in our global community.

NU SKIN
FORCE FOR GOOD
FOUNDATION

The Nu Skin Force for Good Foundation has the mission to improve children's health, education, and economic circumstances, offering hope for a brighter future.

Nu Skin is built on the idea of giving back. It is the very core of who we are, and what we do. The Force for Good Foundation was born of this very ideal and has seen us lend our support to numerous fantastic causes around the world since 1996. The concept is simple: you can either donate to the foundation directly or you can purchase products of the Epoch line, for which Nu Skin will then make a 0.25USD donation per product sold to the foundation. The Nu Skin Force for Good foundation then partners with other non-profit organisations for different initiatives:

THE PROJECTS

- **School of Agriculture for Family Independence (SAFI):** Teaching sustainable agriculture in Malawi at the Mtalimanja Village School. After implementing SAFI techniques, crop yields can increase as much as 700%. These are proper farming and irrigation techniques that farmers can use and take back to their villages.
- **Seed of Hope:** Donations made through sales of our Epoch Baobab Body Butter help fund the reforestation initiative in Malawi. This initiative originally focused on the valuable baobab trees. Today, it has evolved to also plant thousands of fruit trees, which contribute to the daily lives of those who live there.
- **Seacology:** Creating win-win conservation partnerships that help island communities build infrastructure now and preserve their marine habitats for generations to come.
- **Epidermolysis Bullosa Medical Research Foundation:** Funding research to find a cure for the devastating skin disease Epidermolysis Bullosa (EB)
- **Wells of Hope:** Providing funds to SAFI to clean water through our borehole project in Malawi. Every new well provides access to clean water for approximately 500 people.

A for-profit social initiative empowering future generations one bowl at a time.

No child should ever go hungry. That's the belief behind Nu Skin's Nourish the Children initiative. With VitaMeal, we provide highly nutritious food developed by Nu Skin's very own nutrition scientists. You can purchase VitaMeal like regular products except the bags are donated directly to children through a third-party non-profit organisation such as Feed the Children. Each 30-meal bag of VitaMeal contains 30 child-size portions, enough to provide a child with one nutritious meal each day for 30 days. And when you give, we also give. For every purchase of a VitaMeal five-pack, or every eight bags purchased, Nu Skin will add one more.

It is important to highlight that it is a for-profit programme with regular product commissions and profit. But this is precisely what makes the programme sustainable; the incentive around the sale helps ensure that VitaMeals are sold and promoted on a regular basis. Currently, more than 70,000 children receive VitaMeal each day, so it's important that it remains a continuous, sustainable effort. This is also how we have achieved no less than **850 million meal** donations worldwide since its birth in 2002. And we are not stopping there. With our VitaMeal plants in Malawi, the Nourish the Children initiative is able to help create new jobs and economic opportunities in the communities that your generosity helps to sustain.

Nu Skin is a for-profit distributor of nutritional and skin care products and is traded on the New York Stock Exchange (NUS). Nourish the Children is an initiative of Nu Skin and is registered in some states as a commercial co-venture. The initiative enables Nu Skin's brand affiliates and customers to purchase VitaMeal from Nu Skin and donate it to charitable organisations to help solve the complex world problem of feeding malnourished children. The price of VitaMeal includes the cost of manufacturing, general overhead, distribution and sales. As is the case with other Nu Skin products, brand affiliates are paid commissions and Nu Skin earns a profit margin from each sale of VitaMeal.

SUSTAINABILITY

Embracing sustainable practices today that enhance a resource-rich tomorrow.

Sustainability is so much more than just a buzzword to Nu Skin. We are committed to keeping our global communities clean, safe, and protected for the future. This is a daunting task, but we're proud to make it our mission to embrace sustainable practices today to ensure a resource-rich tomorrow. We have made concrete commitments around our 3 P's: People, Product and Planet. We have already made impactful and measurable changes to our top 20 products and we have pledged to have all of our products' sustainability improved by 2030.

COMMUNITY OUTREACH

Creating a strong global family by
empowering our local communities.

Every year, during the Force for Good Day our employees worldwide volunteer for various local initiatives. These include assembling first aid kits for Ukraine, donating food and groceries to those in need, renovating shelters for children, and much more. Local offices also maintain lasting and punctual partnerships with local non-profits.
