Year founded in Poland:

CONTACT INFORMATION:

(Who should we contact regarding this submission?)

Name (first & last):

Position:

E-mail:

Telephone number:

INFORMATION ABOUT THE INVESTMENT:

How many jobs will have been directly created by the project once it is complete?

How much money will have been directly invested in the project once it is complete?

What factors make the investment innovative?

A short description of the investment:

Here, please give the jury a short description of the investment, including information on its local impact (in other words: How will it improve the lives of people in the local community?). Please try to keep to 100 words or less.

*for the purposes of this competition, a large investment is one that creates 100 jobs or more, once it is complete.
