

*** Concept:**

French classes are all taught by the immersion method, considering the needs of adult learners. Classes are small to allow guidance and communication as much as possible. We emphasize on speaking with lots of interactions. We have FUN while we are in class. Students who register for the Beginner II, Intermediate Independent levels and French Clubs will be contacted by the instructor to assess which class is the most appropriate for your level. All students should purchase the textbook, "Barron's Complete French Grammar Review Barron's Grammar Series" (ISBN-13: 978-0764134456).
