# FACC GULF COAST & FACC TEXAS

## joining forces for a stronger impact on business landscape

- FACC Louisiana & FACC Texas represent an important footprint of the French Business Community on the Gulf Coast with several major companies in both states.
- An expertise on energy and manufacturing industries that we could leverage together.
- Events opportunities to make France's culture shine in both territories.
- Strengthening a Texas-Louisiana Business Hub with possibilities to learn and interact in both states.
- A powerful business network and an extended reach to clients, partnerships, and investors.

# FACC GULF COAST Energy & Agro footprint

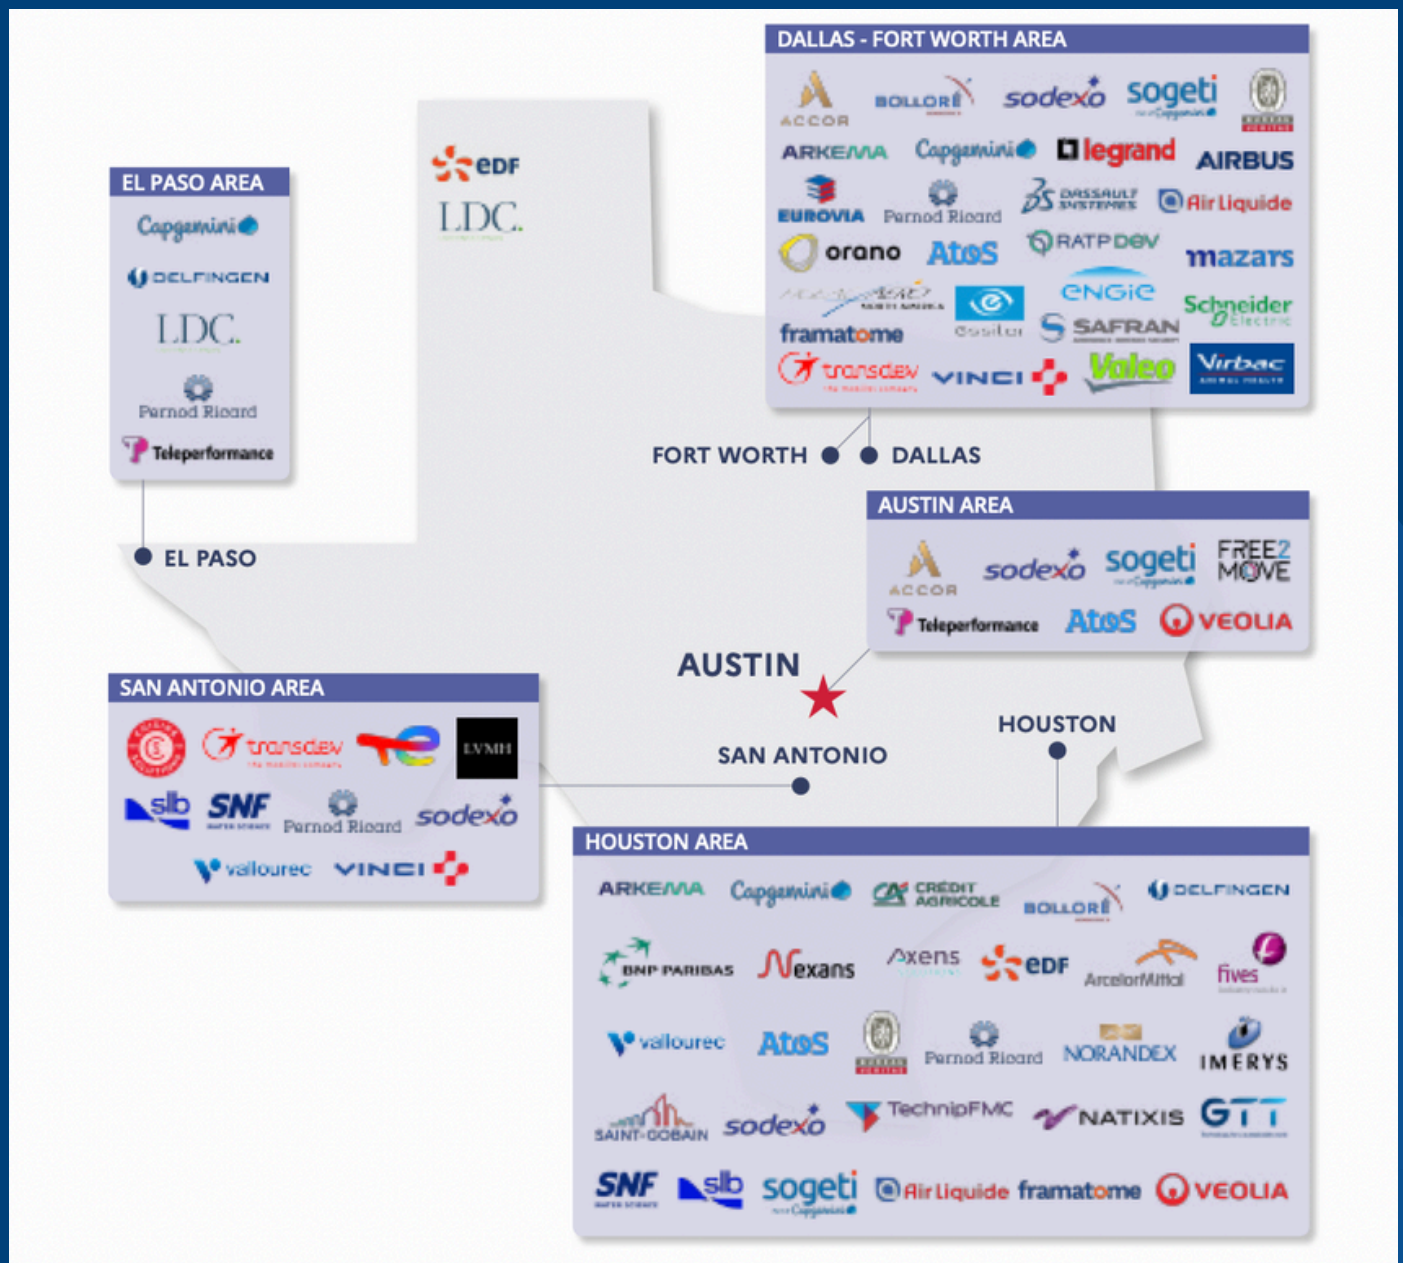

- Petroleum Refining, Oil Drilling, and Gas Extraction – Louisiana is home to the highest number of oil refineries per capita in the United States.
- Plastic and Resin Manufacturing, Chemical Manufacturing.
- Healthcare and Agriculture.
- Cultural Richness: a reflection of historical roots.
- The presence of 11 French corporations.

# FACC TEXAS

## Energy, Space, Healthcare, Tech

- A powerful business network of over 200 companies.
- A strong business ecosystem in Energy, Space, Healthcare, and Tech sectors.
- A positive transformation of the business landscape that Louisiana could benefit from in interlocking ecosystems and members.
- An experienced operational team ready to support and grow the business potential in both territories.

## FETE DES FROMAGES

November, 2024  
French Quarter, New Orleans

Calling all cheese and wine connoisseurs! Fête des Fromages takes place each November to shed light on world-renowned and local cheeses.

The fall festival features international, domestic and Louisiana cheese samples. Red, white, and rosé wine imports from Europe will be available for pairing along with craft beers, ciders and an assortment of waters.

Let's transform the vibrant French Quarter as a fun and tasty French market!
