

Personal Protective Equipment and Uniforms Plant Expression of interest

Context

Palma district in Cabo Delgado, Mozambique, at the core of Mozambique's natural gas corridor, presents a strategic opportunity for value-added local manufacturing. In line with national development goals and commitment to inclusive growth, a fully equipped Personal Protective Equipment (PPE) and uniform small-scale plant, has been financed and established by the Mozambique LNG Project, with daily capacity between 50 to 100 units, supplying the growing demand of companies involved in the natural gas value-chain, and with the potential to serve opportunities beyond, national and international.

The plant is equipped with all the necessary equipment and machinery for an efficient operation, including:

- Sewing Machines.
- Embroidery Machine.
- Cutting machine.
- Buttoning machines.
- Other auxiliary equipment such as scissors, chisels, and measuring tape.

The plant currently employs 24 staff, including trained tailors, general services and administrative staff.

Expression of Interest

The Mozambique LNG Foundation, committed to contributing to sustainable socio-economic development in the Cabo Delgado province, invites national and international companies legally established in Mozambique to express their interest in the business development and management of this plant in Palma, Cabo Delgado.

Interested candidates are invited to submit a maximum **two-page document to the Mozambique LNG Foundation at fornecedores.suppliers@mozambiquelngfoundation.org by June 8th 2025**, end of day. The submission should include the following:

- **Company profile:** outlining relevant experience and track record in plant management and business development in the sector, or similar.
 - **Justification of interest:** supported by potential business ideas and market opportunities relevant to the project, and how the company intends to leverage these opportunities.
 - **Description of national presence:** as in operational footprint or representation in Mozambique.
 - **Contact information:** including focal points, email, telephone number, physical address, and company NUIT (Tax Identification Number).
-
