

Danish-French Football Tournament 2024

 **DANSK-FRANSK HANDELSKAMMER**
CHAMBRE DE COMMERCE FRANCO-DANOISE

Football tournament 2024

Over the years, the Chamber's football tournament has evolved to become a tradition in our annual program. This year will be the 8th edition, and we aim to build on the successes of the 7 previous tournaments.

This year's tournament will take place on Friday the 20th of September and, once again, we will hold it at Brøndby Stadium. We will start around midday, and after the matches, we will all have dinner together in the lounge.

All employees from the represented companies are welcome to join us and cheer for their team at Brøndby Stadium.

This day is for celebrating team spirit and the close relationship between our two great nations, France and Denmark.

A twofold experience for you and your employees

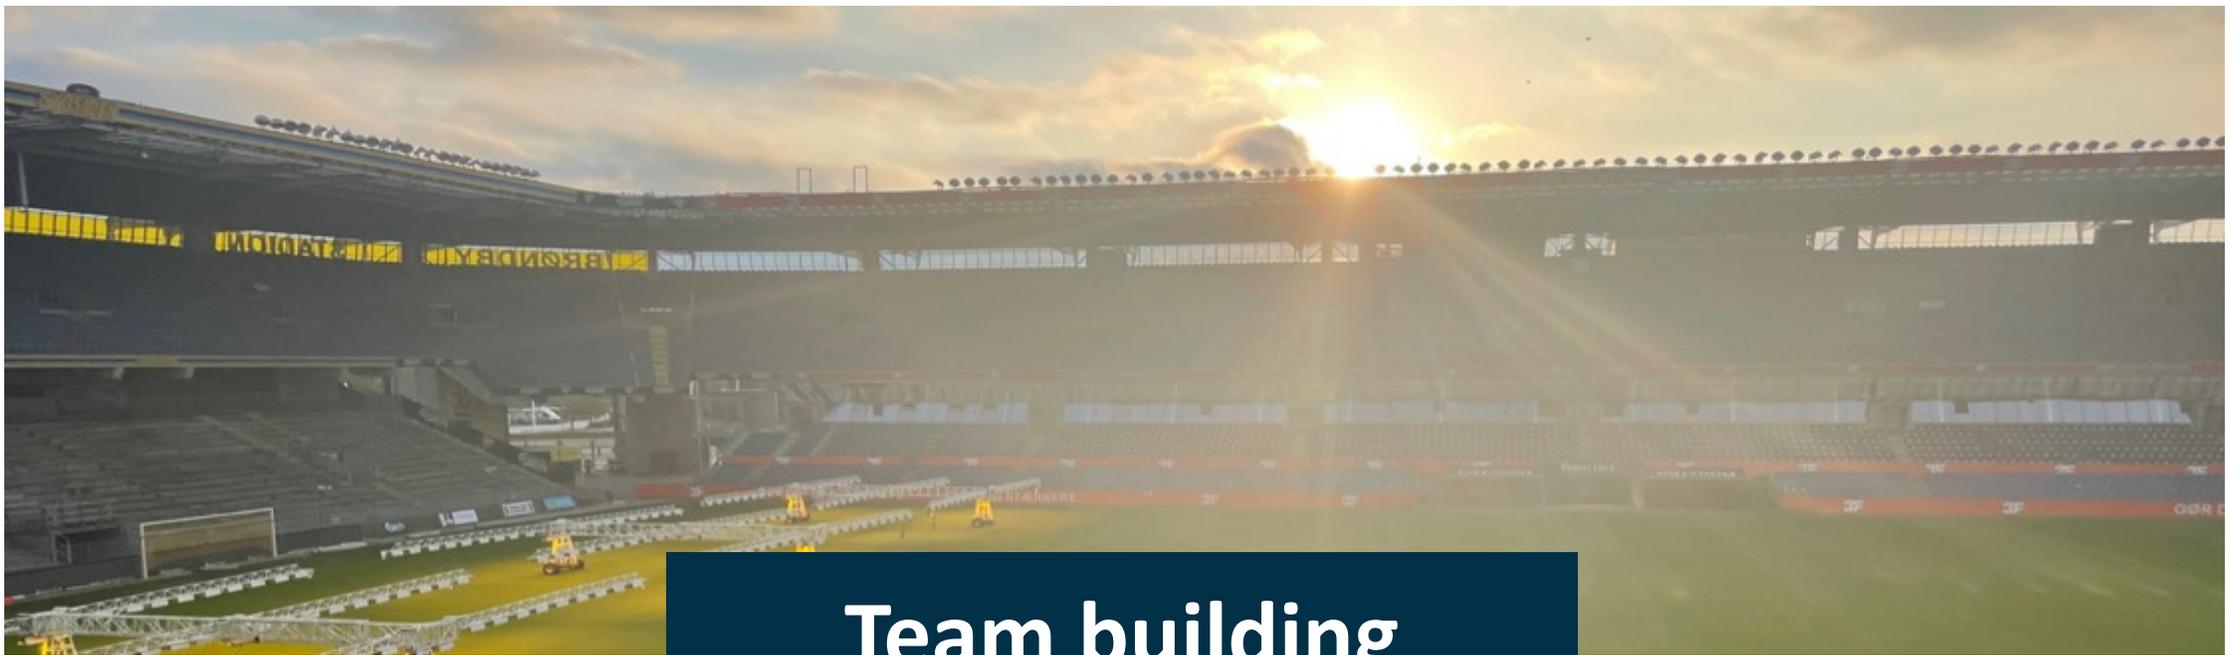

All participating companies will get to enjoy two different activities:

1) Playing football in a real professional sports' infrastructure, a unique chance for your employees. You will get to play on the pitch where professional football players train every day and experience the feeling of playing as 'professionals'.

2) Dinner in the Michael Laudrup lounge. We will all eat together and reward the winners of the tournament.

Team building

Use this event to strengthen the team spirit among your employees. Select a team (7 players + 1 substitute minimum) to defend your company colours in a friendly competition against other companies.

After the tournament, you can communicate the events on the football field internally to highlight your company's strong group coherence.

All the employees are invited to come and support their company's team free of charge.

Join us and make the 8th edition one to remember

In total, the tournament will gather around 10 teams and 100 players ... and this amounts to a fantastic atmosphere.

And many other advantages for your company, such as:

- Use the event to highlight the great atmosphere in your company to help attract new talents.
- Your company will enjoy the exposure from the Chamber and Brøndby IF, both of whom will promote the event.
- Meet and network with other companies and develop business connections.
- A great way of gathering your employees after the summer vacation for a pleasant start of the second half of the year.
- Invite employees, customers, and/or professional partners to support your team.

Program: Friday September 20th

- 11:00** Arrival at Brøndby Stadium
- 11:30** Welcome and collective warm up
- 12:00** Tournament starts – first match kick-off
- 18:00** Tournament ends – time to get changed
- 19:00** Dinner in the Michael Laudrup Lounge
- 21:30** End of the day

The program may be updated in line with the final number of participating teams.

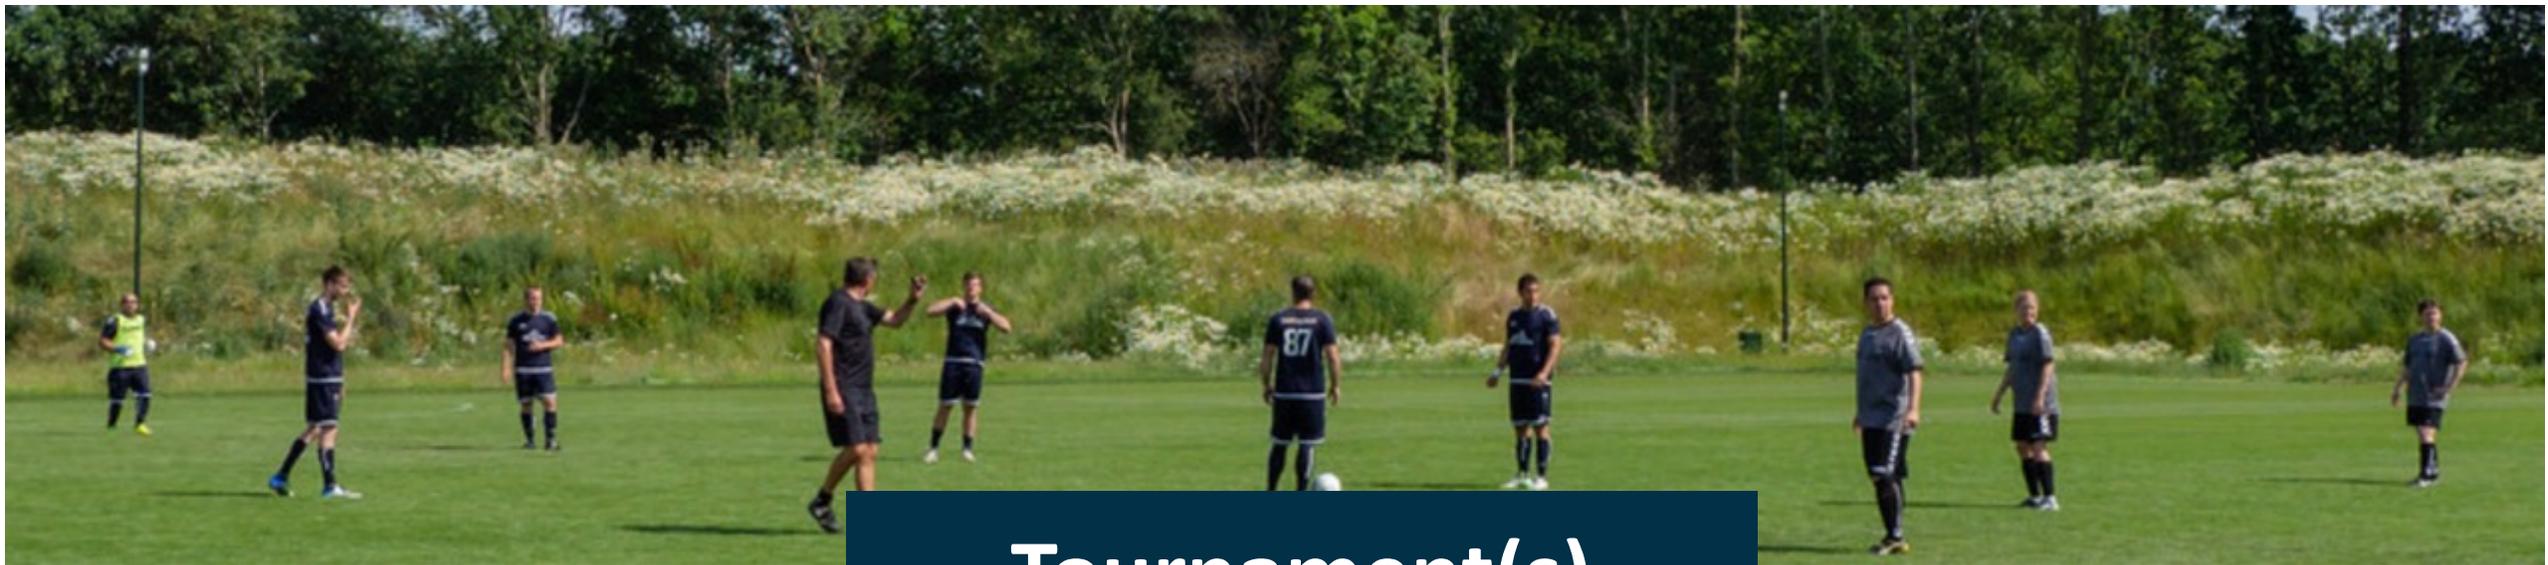

News 2024

Music will be played near to the pitches, so prepare your playlist!

In previous years, we served a lunch box to each player. This time, we have reserved a food truck where the players will enjoy a good burger with fries and dip. Perhaps not the healthiest sports' menu, but we have noticed that most of you are coming to have good time ;-)

Tournament(s)

We will adapt the tournament to fit the number of teams registered for the day. **If we have a large number of registrations**, we will consider organizing two kinds of tournaments, depending on the expectations of the players. **We will decide in August** whether we organize one or two tournaments as described below:

Champions League Tournament
The competitive one. This is for those amongst you who are used to playing football and are keen on showing you skills against other teams, who are similarly dedicated to the sport. Compared to 2023, these teams will play on the largest pitch.

The Friendly Tournament
For the teams who are mostly there to enjoy the day with their colleagues, and where winning is not necessarily the most important thing in the world. This tournament will be adapted to have smaller pitches and a shorter game time. We are also considering that the teams playing in this tournament have to be mix-gender teams only.

Prices

- The company can register a team of 8 players for this team building event. In order to learn more about the different packages, please contact us.
- The price includes participation in the exclusive football tournament, refreshments, and lunch during the tournament for the players, and a table for 8 people at the dinner in the Michael Laudrup lounge at the end of the day.
- It is also possible to buy extra seats for the dinner and register extra players for the tournament.
- Please contact us to learn more about the price package.

ESG Initiative

This year, we are once again proposing a voluntary ESG initiative in collaboration with EcoTree.

The idea is that for each goal your team scores, EcoTree will plant a tree in Denmark to promote a greener future.

The more goals you score, the more trees will be planted.

Last year, almost 200 goals were scored during the tournament, which equalled to 200 trees planted in total.

The price per tree is DKK 100, i.e. if your team scores 10 goals, the donation will be DKK 1.000.

Thank you for your attention

We are looking forward to seeing your team on the pitch!
