

Force Majeure, War Risks, And Contractual Disruptions In Qatar

WEBINAR

Wednesday, 18 Mar 2026

12:00 PM (Doha Time)

Legal Considerations for Businesses

Recent geopolitical developments in the Middle East have brought the concept of **force majeure** into sharp focus, particularly in the energy sector. Companies operating in Qatar now face important legal questions regarding contractual obligations, war-related disruptions, and employment considerations.

This webinar will provide practical legal insights into **how force majeure, war risks, and contractual disruptions interact under Qatari law and contractual frameworks.**

Speaker

Amy Saretsky
Associate

Topics Covered

- Contractual obligations and delays
- Employer obligations toward employees
- Insurance coverage for war-related disruptions
- Disciplinary procedures and employee mobility
