Monaco : Economic e-Mission

IFCCI in collaboration with Monaco Economic Board is organising an Economic e-Mission on Tuesday, 16th March 2021 from 10h00-12H30 (CET)/14H30-17H00 (IST).

This E-Mission follows on from Monaco Economic Board (MEB) and IFCCI's economic mission to Delhi in February 2019. This mission is being organised under the aegis of the Embassy of Monaco in India, in partnership with the Embassy of India in France and Monaco, MEB, and Promotion Bureau of the Principality of Monaco in Delhi.

As India is bouncing back strongly with a double-digit growth expected this year, it has also achieved a considerable feat by attracting more foreign direct investment in 2020 than in 2019. The objective of this e-Mission is to present a platform to Indian companies keen on exploring business opportunities with selected companies from Monaco in order to expand and/or develop their operations.

The Economic e-Mission will commence with presentations on India with a focus on sectors currently experiencing rapid growth (including Banking & Finance, Innovation, Renewable Energies, Trading). This will then be followed by a series of personalised B2B meetings between Indian and Monaco based companies. The presentations and B2B meetings will be conducted on Zoom Application.
