Promoção de Leilões de Energias Renováveis
Solar Photovoltaic IPP Project in Mozambique

Maputo, 20 April 2026

SELECTION OF INDEPENDENT POWER PRODUCER FOR ONE 30MWac SOLAR PHOTOVOLTAIC POWER PLANT

1. On September 30, 2020, the Government of Mozambique launched *Programa de Promoção de Leilões de Energias Renováveis* (Promotion of Renewable Energy Auction Programme or PROLER), which will contribute to the increase of power generation capacity and to the diversification of energy sources, and give priority to competitive and transparent tender procedures for the selection of private investors with the required level of technical and financial capacities and interest in the development of projects of renewable energy generation, leading to the choice of least-cost solutions for customers.
2. The Government of Mozambique has received funds from the European Union (EU) through *Agence Française de Développement* (French Development Agency) to support the PROLER Program which aims at selecting Independent Power Producers (**IPPs**) for solar photovoltaic and wind projects with a total capacity of around 120 MW.
3. In order to select experienced and qualified private investors to develop, finance, design, construct, operate and maintain one solar photovoltaic power plant in Dondo (30MWac), Province of Sofala (the "**Project**"), the Ministry of Mineral Resources and Energy of Mozambique (**MIREME**), through the Energy Regulatory Authority (**ARENE**), re-invites interested applicants who meet the Pre-qualification Criteria to submit their Applications.

4. The selection of the Preferred Bidders will be made through a competitive tender with prequalification, where ARENE will act in the capacity of the Procuring Authority. Preliminary information related to the PROLER programme is provided in Part II of Prequalification Documents. It is expected that Invitations for Bids will be issued during the 2nd quarter of 2026 to prequalified Applicants. It will further define the scope of the Project and include strong requirements regarding local participation.
5. Applications must be submitted in a sealed envelope before **22th June 2026 at 10:00 am (Maputo time)**, at the address mentioned below:
