Strategic Bilateral Context

Building on May 2025 Paris Achievements

Following the high-level delegation led by the UAE Ministry of Energy and Infrastructure (MoEI) to Paris in May 2025, CCI France UAE facilitates execution-phase exchanges.

The 2026 Forum transforms high-level alignment into concrete industrial investments and technology sharing.

SHARED SOVEREIGN GOALS

- **Energy Security:** Safe, sustainable, and highly resilient baseload systems.
- **Industrial Resilience:** Competitiveness, localization, and supply chain integrity.
- **Decarbonization:** Commercially viable, realistic transition blueprints.

Our Main Objective in 2026

Focusing on active business opportunities and structural agreements between French & Emirati players.

Strengthen Corridor

Establish a secure bilateral connection across carbon-neutral domains, pairing French technical excellence with Emirati world-scale energy infrastructure.

Accelerate Innovation

Showcase and deploy real-world technologies in hydrogen, nuclear, oil and gas and automated digital energy grids.

Enable Business Opportunities

Provide direct B2B matching. Introduce pioneering tech providers directly to public authorities, utilities, and regional sovereign funding structures.
