IOM UN MIGRATION

REQUEST FOR QUOTATION (RFQ)

RFQ Reference: **MZ10_2025_119 - IT Equipment Disposal Services for United Nations Agencies in Mozambique**

Date: 03 September 2025

REQUEST FOR QUOTATION (RFQ) for the provision of IT Equipment Disposal Services for United Nations Agencies in Mozambique

1. Background

United Nations Agencies operating in Mozambique periodically face the need to dispose of end-of-life or obsolete IT equipment. Given the growing emphasis on environmental sustainability and responsible e-waste management, it is essential to engage a qualified service provider to carry out the disposal in a safe, secure, and environmentally responsible manner.

IOM (International Organization for Migration), acting on behalf of all interested UN Agencies in Mozambique, seeks to identify a competent and certified IT disposal company capable of delivering these services in alignment with international standards and the UN's environmental and sustainability policies

Provision of IT Equipment Disposal Services for UN Agencies in Mozambique

The International Organization for Migration (IOM), on behalf of United Nations Agencies in Mozambique, invites qualified service providers to submit quotations for the safe, secure, and environmentally responsible disposal of IT equipment (e-waste).

Objective:

The selected company will be responsible for:

- Secure collection, transportation, and disposal of IT equipment.
- Certified data destruction from all data-bearing devices.
- Environmentally friendly recycling or disposal in compliance with Mozambican and international standards.
- Issuance of disposal and destruction certificates, along with final detailed reports.

Submission Deadline: **Quotations must be submitted no later than 25 September 2025, 17.00 Hrs. Central Africa Time (CAT+02:00).**
