The French Landing Pad:
Your Easy Entry into Singapore

Launched on 1 July 2026, the French Landing Pad gives French companies new* to Singapore instant access to a home base, a vibrant peer network, and a comprehensive business ecosystem - built to scale operations from day one. Meet your partners:

FRENCH CHAMBER OF COMMERCE IN SINGAPORE (FCCS)

Part of a global network of 120 French Chambers in 95 countries; connects and supports companies in their development through networking, business services and market expansion solutions.

CAPITALAND INVESTMENT (CLI)

A leading global real asset manager with strong presence in Asia; offers move-in-ready and scalable workspace solutions.

SINGAPORE ECONOMIC DEVELOPMENT BOARD (EDB)

Lead government agency in assisting foreign businesses with the setup and expansion of their operations in Singapore.

WHAT YOU GET

Local Ecosystem Access

Introductions to service providers, advisors, and relevant ecosystem partners across Singapore's business landscape.

Government Support

Work pass facilitation and access to government incentives, backed by EDB's resources and network.

Ready Workspace

Move into flexible workspaces, private suites or offices, with the ability to transition into larger, long-term premises as your business grows.

A Ready Peer Community

Connect with French companies at similar growth stages or in your industry. Exchange insights from the start.

HOW IT WORKS
