

H.R. Committee

Danish-French Chamber of Commerce

Purpose of the HR committee

The Chamber's committee has existed since 2018 and creates a thematic forum for HR professionals where participants can:

- Meet other HR professionals to exchange about common issues, questions, ideas etc.
- Develop their HR network
- Meet experts
- Visit companies
- Discover innovative HR practices
-

Language

Most participants are Danish, but we also have a few French speaking participants. For this reason, the main language is English.

Frequency

The HR committee meets 4 - 5 times a year for a breakfast meeting.

Working themes

Themes are identified in collaboration with the participants and updated on a regular basis.

Examples of focus areas in 2024 include:

- How to attract talent
- AI impact
- ESG impact for the HR departments
- Intercultural issues (broadly, not limited to French/Danish)
- ...

Participants

The committee includes around 20 HR managers, who represent different companies in our network. Most participants are Danish HR managers, who work for French subsidiaries in Denmark, but we also have representatives from several Danish companies. The companies are from all kinds of sectors, such as L'Oréal, Moët Hennessy, TotalEnergies, BNP Paribas,

Price

Participation is free of charge.
