

DANSK-FRANSK HANDELSKAMMER
CHAMBRE DE COMMERCE FRANCO-DANOISE

Women's Committee

Danish-French Chamber of Commerce

Purpose of the committee

The board of the Danish-French Chamber of Commerce's Women's Committee is a forum where female leaders in our network can meet to exchange on challenges and best practices in their management positions. The board is reserved to sponsor members of the Chamber as well as initial members from 2021. In addition, the board arranges 2-3 larger yearly events for the female network of the Chamber. Finally, the board may arrange social initiatives such as mentoring schemes, voluntary initiatives etc.

Working themes

The members of the committee will meet to strengthen their network and be inspired by the latest trends and best practices in different industries. The committee meetings will typically be organized as company visits, either at the members of the committee or at relevant external sites.

Frequency

The first Monday of February, April, June, September, and November as well as a Christmas gathering.

Participants

The board of the Women's committee is reserved for sponsor members of the Chamber of Commerce as well as initial members from 2021. Board members may also be invited upon referral from members. The broader Women's committee and its events are open to all members of the Chamber of Commerce.

Working language

English.
