

Young Danish-French Chamber of Commerce

Danish-French Chamber of Commerce

Purpose of the committee

The Young Danish-French Chamber of Commerce is a network for young professionals in Denmark, who have a relation to France, via their company, studies, professional project, language skills, and/or personal interest. The purpose of the YDFCC is to create a network for future managers in the Danish-French business community and a social meeting forum for exchanges and gatherings. We will organize company visits, seminars afterworks, and career-related sessions.

Working themes

Company visits will typically include presentations of the corporate strategy, ESG vision, HR-practices etc. Career-related sessions may include career fairs, case competitions, and mentoring schemes.

Frequency

3-4 times a year

Participants

The network is open to students, professionals, job seekers, and entrepreneurs in Denmark, aged 18 – 35, from all nationalities, with a personal, professional, and/or interest-based link to France.

Working language

English.
