# Best Digital project/Innovation

*Companies that have developed or continue to develop a notable innovative and successful digital service/innovation in Ghana*

- A digital project that contributes to community development, supports digital skills enhancement, employment, and entrepreneurship.

- An innovative project which has a unique feature differentiating it from other comparable projects.

- Demonstrated impact on users, number of users, and impact on organisations of a project.

- Possibility of the project to be potentially implemented by other member organisations for their own benefit.
