

STAFF OUTSOURCING

A FLEXIBLE AND TEMPORARY SOLUTION

- Doing business in India is a long journey, from exploration to setting up
- Initially, many French companies opt for staff outsourcing
 - To further prospect the market
 - To develop, grow and expand their business
- IFCCI supports French companies in this temporary process by:
 - Recruiting Indian representative(s)
 - Setting up the staff outsourcing contract

35 representatives are currently on board, for **22** companies

IFCCI WILL HANDLE THE DETAILS!

Temporary solution with a simple structure – two contracts:

- One contract between the French company and IFCCI
- A second service contract between the Indian representative and IFCCI

IFCCI handles the following professional expenses of the representative:

- Payment of professional fees to the consultant each month
- Payment of TDS (tax deducted at source)
- Reimbursement of expenses incurred by the consultant

A French-speaking member of IFCCI acts as the interface with the French company
